Report of the Trustees
for the Year Ended 31 December 2025

The trustees present their report with the financial statements of the charity for the year ended 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Our Vision
For Africa to thrive.

Our Purpose
Driven by a deep love for our people, we won't stop working until everyone on our continent has the resources they need.

Our Mission
To provide the resources that unlock the abundance of Africa so every African community can thrive.

Objectives and aims
The Trust Objects and Purpose per the Trust Deed (as amended) are as follows:

To promote the relief of persons who are in conditions of need, hardship and consequently are in distress or who are aged or sick without regard to religion, creed or race and to include but, without prejudice to the generality of the foregoing, the following activities:-

o The establishment, development and maintenance of orphanages
o The provision of emergency relief aid whether by food or medical supplies or otherwise
o To promote good practice in nutrition health and physical and mental development
o To establish, provide and support clinics heath centres and hospitals whether mobile or stationary and whether temporary or permanent in any part of the world where the Trustees consider that the same would benefit the local population

The aims and objectives of the Charity this year continue to raise funds for feeding programs and enhancing the quality of life for individuals in impoverished countries. In keeping with the objects of the Charity, financial assistance is provided for feeding programs in eight African countries from donations received.

Public benefit
The Trustees have considered the guidance on public benefit and consider that the Charity operates for the benefit of members of the public who suffer malnutrition in the eight African countries in which feeding programs operate. The Trustees further consider that "an Africa that thrives" is of benefit to the whole world which bears a responsibility for the citizens of Africa. In addition, the Trustees believe that donors to such programs benefit from an enhanced understanding of global challenges faced and also from an improved sense of wellbeing by making a difference. The trustees monitor the programmes undertaken to ensure they are in line with the charitable objectives and are available to beneficiaries as widely as resources allow.

Grantmaking
The Trust has established its grant making policy to achieve its objects for the public benefit. The charity's main activity involves raising income to fund grants to programmes supporting individuals in impoverished African countries. All grants have been paid to ForAfrika to Thrive to support the programmes described in this report. All grants are made at the discretion of the Trustees.

Volunteers
The Charity offers the opportunity to volunteers to fundraise and give their time and talents willingly for the benefit of the Charity. People who are passionate about releasing children from the grip of poverty join with us to use their skills and contacts to see more programmes and projects funded. Volunteers may be local church members, activists in their social sphere of influence, team members at events, and fundraisers - from marathon runners to cake bakers. All are working hard to save and enhance the lives of the most vulnerable people in Africa.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

In 2025, ForAfrika continued to deliver integrated humanitarian and development programmes across its eight focus countries, supporting communities to move from crisis and vulnerability towards resilience, self-sufficiency, commercial viability and thriving. The year was challenging across the humanitarian and development sector, particularly following major changes to international funding. Despite these pressures, ForAfrika maintained its commitment to communities and adapted its programmes to changing circumstances. Across its programme activities, ForAfrika reached approximately 6.3 million people during 2025, exceeding its target of 5 million, while more than 2.7 million unique individuals were reached and 403,750 people were on track towards self-sufficiency.

Notable activities and achievements in 2025 include:

- **Impact at scale:** Despite a sector-wide funding contraction of more than 30% and the suspension of significant institutional funding streams during the year, ForAfrika sustained and grew its operational delivery, reaching 6.3 million people, of whom 2.7 million were reached directly and uniquely, and maintaining a presence in operating environments that other organisations were forced to leave.

- **Water, Sanitation and Hygiene (WASH):** Programmes continued to improve access to safe water and strengthen community water systems. In Angola, 8,500 people gained access to reliable safe water, 17 water points were rehabilitated and 12 Water Management Committees were established. Across Ethiopia, 4,744 people gained access to safe water and 11,682 benefited from weather-resilient water systems.

- **Food Security and Livelihoods:** ForAfrika continued to strengthen agricultural production, household resilience and access to markets. In Uganda's West Nile, smallholder farmers generated UGX 870 million in sales, market participation increased from 36% to 65%, and 2,604 jobs were created across local agricultural value chains. In Ethiopia, 4,160 model farmers were trained and more than 38,000 follower farmers were reached through the cascade model.

- **Health and Nutrition:** Health and nutrition programmes remained a key area of activity. In South Sudan, 174,689 people were screened for malnutrition, with recovery rates of 99.97% for severe acute malnutrition and 98% for moderate acute malnutrition. In Angola, 55,195 facility-based deliveries were supported and 300 birth attendants were trained.

Health and Nutrition activities also included community-based health education and support for mothers, newborns and children.

- In South Sudan, 174,689 people were screened for malnutrition across programme activities.
- Recovery rates among those treated for malnutrition were 99.97% for severe acute malnutrition and 98% for moderate acute malnutrition.
- In Angola, 115,003 caregivers were reached through health education activities, while maternal and newborn care was strengthened through trained birth attendants and improved referral pathways.

- **Education:** ForAfrika continued to support access to education and school feeding. In Angola, 625,491 school meals were provided and more than 4,000 children were fed daily across 12 schools. The programme contributed to a 78% student pass rate while strengthening Parent-Teacher Associations and community education committees.

- **Economic Empowerment:** Village Savings and Loan Associations and livelihood diversification initiatives strengthened financial resilience and economic opportunity. In Rwanda, 22,968 VSLA members were supported, 3,188 loans were disbursed and 15 enterprises were established. In the Central African Republic, 15 VSLA groups were established and one group saved more than USD 15,000, demonstrating increasing community ownership and financial resilience.

- **Self-sufficiency and resilience:** ForAfrika's Sustainable Livelihoods Index showed measurable improvements in four countries during 2025. South Sudan, Uganda, Rwanda and Mozambique together added 111,540 people to the self-sufficient population during the year, while 403,750 people across the Group were on track towards self-sufficiency through integrated programming across three or more sectors.

FINANCIAL REVIEW

Financial position

The financial statements show the overall position of the Charity as at 31 December 2025 and its income and expenditure for the year ended that date.

The Trust saw total income of £324,357 compared to £437,663 in 2024. Total expenditure fell to £370,919 from £443,851 in 2024. As a consequence of the income and expenditure in 2025, a deficit of £46,562 was recorded for the year compared to £6,188 in 2024. Total funds at the year end were £619 (2024 £47,181) of which £619 (2024 - £39,181) is unrestricted and £nil (2024 £8,000) is restricted.

Principal funding sources

The principal funding source for the Charity continues to be donations and grants from the public, corporates and foundations.

Reserves policy

It is the policy of the Charity to maintain sufficient funds to support activities. Our trustees have taken a decision to set minimum cash reserves to cover twelve months' operational costs. The cash reserves comprise unrestricted funds only and exclude designated funds. The balance of restricted reserves will only be distributable when the conditions pertaining to the grant income are satisfied.

As at 31 December 2025, free reserves held by the Charity totalled £619, significantly below the twelve-month operational cost target set out in this policy. This reflects the reduction in income experienced during the year. The Trustees are prioritising the diversification and growth of the Charity's funding base, as set out under Future Plans, with the objective of rebuilding reserves towards the target level over the coming financial years.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. As noted above, the trustees plan to rebuild reserves towards the target level. As detailed further at Events since the year end, the trustees are in the process of consolidating the Trust's assets into a new established charitable incorporated organisation. The trustees do not consider the change in legal structure to affect the going concern basis of preparation.

FUTURE PLANS

In 2026, ForAfrika UK aims to:

- Diversify and strengthen its UK funding streams by developing a focused pipeline across philanthropy, trusts and foundations, institutional funders and strategic partners, while reducing reliance on individual funding sources.

- Strengthen the UK Board and make greater use of Trustees' expertise, networks and high-level introductions to develop relationships with potential donors, family offices, foundations and other strategic partners. The longer-term objective is to build the Board towards eight members, with at least five independent Trustees.

- Develop strategic partnerships and consortium relationships that can position ForAfrika to access larger institutional opportunities, including potential FCDO and other development-finance opportunities, while increasing engagement with the African diaspora.

- Strengthen ForAfrika UK's market presence and fundraising capability through targeted relationship-building, strategic communications and development of the systems and capacity required to convert relationships into sustainable funding. The Charity will continue to support the wider ForAfrika ambition of 20 million Africans achieving self-sufficiency and 6 million people being enabled to thrive by 2036.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Trust is an unincorporated Charity formed under a Trust Deed on 9 November 1995, as amended by supplemental deeds dated 22 April 1997, 5 March 1998 and 9 October 2009. The trustees changed the charity name by resolution in April 2022. It is registered as a charity in England, registration number 1050992. With effect from 12 December 2012, the Charity became a registered Charity within Scotland, charity number SC043643. The Trust Deed established the Trust's objects and powers and this is also the Trust's governing document.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The Trustees take all major decisions concerning the activities of the Charity. The Trust Deed states that the appointment of additional Trustees is at the discretion of the existing Trustees.

Organisational structure

The day to day running of the Trust is performed by the Trust's administrator, supported by Trustees and external professionals. The Trustees meet quarterly in the UK and correspond in the intervening periods. All financial decisions concerning charitable activities are made by the Trustees collectively. The day-to-day management of the Charity has been delegated by the Charity Trustees to Simon McGregor.

Induction and training of new trustees

The policies of the Trust for the induction and training of new Trustees are tailored to suit the knowledge and experience of the appointee. Any new Trustees are given a one-day introduction to the work of the Charity and are shown films demonstrating the feeding program in action. All Trustees are presented with copies of Charity Commission publication "The Essential Trustee" (CC3) and the Charity Governance Code.

Wider network

ForAfrika UK is part of the ForAfrika Global network supporting the largest African humanitarian and development organisation in its pursuit to create an Africa that thrives. We carry out fundraising, awareness and partnerships in the UK to ensure that ForAfrika unlocks the abundance of Africa so every African community can thrive. ForAfrika To Thrive is a multi-national public charity registered in Mauritius.

ForAfrika UK is one of eight affiliate partners:

- South Africa, ForAfrika South Africa NPC
- USA, ForAfrika USA
- Canada, Canada ForAfrika
- Germany, ForAfrika Deutschland e.V.
- Switzerland, Stiftung Schweiz ForAfrika
- Australia, ForAfrika Ltd
- Norway, ForAfrika Norge

Related parties

The Charity is connected with ForAfrika To Thrive by virtue of its affiliate relationship, common management, and one of the Trustees is the CEO in the aforementioned company. The entity has charitable objectives and is registered in Mauritius as a private company limited by shares (file number C089595) and is registered in South Africa as an external company.

The Charity is connected by virtue of common Trustees to Jesus Alive Gospel Outreach, a Scottish charity with the charity number SC036592 and company number SC285658.

Risk management

The Trustees perform periodic risk assessments, identifying possible risks and reviewing the systems and procedures in place to mitigate them. Having performed this assessment, the Trustees are satisfied with the systems and procedures in place to mitigate the exposure to these risks.

EVENTS SINCE THE END OF THE YEAR
Subsequent to the year end, the Charity Commission approved the consolidation of the Trust's assets into a newly established charitable incorporated organisation, ForAfrika (CIO), which is intended to become the sole ForAfrika-affiliated registered charity in the United Kingdom. This process was substantially underway at the date this report was approved. The Trustees are assessing the implications of this restructuring for the Charity's future reporting.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended), the laws applicable to charities in England and Wales, the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008, and the provisions of the charity's constitution, requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended), the laws applicable to charities in England and Wales, the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008, and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner
Independent Examiner, Alastair Stewart BA (Hons) CA, of Gillespie & Anderson, Chartered Accountants, has expressed a willingness to continue in office.

Approved by order of the board of trustees on 21 October 2026 and signed on its behalf by:

A Gava - Trustee

Independent Examiner's Report to the Trustees of ForAfrika

I report to the charity trustees on my examination of the accounts of the Trust for the year ended 31 December 2025.

Responsibilities and basis of report

As the trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 (the '2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Charities Act 2011 ('the 2011 Act'). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

I report in respect of my examination of the Trust's accounts as carried out under section 44 (1)(c) of the 2005 Act and section 145 of the 2011 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Trust has prepared its accounts on an accruals basis and is also registered in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 44 (1) (a) of the 2005 Act and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements Regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
ForAfrika (the charity) is an unincorporated charity formed under a Trust Deed. It is registered as a charity in England, registration number 1050992, and in Scotland, registration number SC043643. Its principal office is at 46 Commercial Road, London, E1 1LP.

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Presentation currency
The financial statements are presented in pound sterling which is the functional currency of the charity and rounded to the nearest £1.

Going concern
The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. As detailed further in the Report of the Trustees, the trustees plan to rebuild reserves towards the target level. As detailed further at Post Balance Sheet Events, the trustees are in the process of consolidating the Trust's assets into a new established charitable incorporated organisation. The trustees do not consider the change in legal structure to affect the going concern basis of preparation.

Critical accounting judgements and key sources of estimation uncertainty
The Trustees have made judgements, estimates and assumptions that affect the amounts reported within the financial statements during the year. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. The Trustees estimates, assumptions and judgements that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the financial statements are addressed and detail is provided in the associated notes.

Income
All income is recognised when the charity is entitled to the income, it is probable that the income will be received and the amount can be measured reliably. The following specific policies are applied to particular categories of income:

Donations and legacies consists of donations, grants, legacies and donated goods and services. Donations are recognised when the charity is entitled to the income, receipt of the income is probable and the amount can be measured reliably. Income from grants, not subject to performance related conditions, is recognised when the charity has entitlement to the funds, it is probable that the income will be received, the amount can be measured reliably and it is not deferred. Income from government grants is recognised when received as the accrual model is not permitted by the Statement of Recommended Practice. Legacy income is recognised when it is probable that it will be received. Donated goods or services are recognised when the charity is entitled to the goods or services, receipt of the goods or services is probable and the value of the goods or services can be measured reliably.

Charitable activities income is received from performance related grants and is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliability.

Investment income is received from interest earned on a company bank account. Investment income is included when receipt is probable and the amount can be measured reliably.

Volunteers
In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements due to inaccurate measurement bases.

continued...

1. ACCOUNTING POLICIES - continued

Expenditure
Expenditure has been classified under the headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Expenditure is recognised on an accrual basis when a legal liability is incurred, payment of the liability is probable and the amount can be measured reliably. The amount includes any VAT which cannot be fully recovered. VAT is reported as part of the expenditure to which it relates.

Charitable activities comprise all resources expended undertaking work to meet the charity's charitable objectives. Such costs include the direct costs of charitable activities approved by the charity and all support costs relating to these activities. Governance costs include direct resources expended in the general running of the charity and are primarily associated with constitutional and statutory requirements. These costs are allocated entirely to charitable activities.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Allocation and apportionment of costs
Support costs are allocated wholly to charitable activities. Whilst the Trustees recognise that a small part of some items of expenditure included in support costs do relate to indirect governance costs, they are of the opinion that the time and costs involved in performing such an analysis outweigh the potential benefits arising from any such work.

Taxation
The charity is exempt from tax on its charitable activities.

Fund accounting
Funds are classified as either unrestricted funds or restricted funds, defined as follows:

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the Trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the Trustees' discretion to apply the funds.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal process, but still within the wider objects of the charity.

Grant making policy
All grants awarded are to institutions and are made at the discretion of the Trustees.

Financial instruments
The charity has no complex financial instruments but does hold basic financial instruments of; cash at bank, debtors and creditors.

Cash and cash equivalents comprise cash at bank and on hand, foreign currency on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. A bank overdraft would be shown within current liabilities.

Debtors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less losses for bad debts except where the effect of discounting would be immaterial. In such cases, debtors are stated at cost less losses for bad debts.

Creditors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate unless the effect of discounting would be immaterial. In such cases, creditors are stated at cost.

continued...

1. ACCOUNTING POLICIES - continued

Provisions for liabilities
A provision is initially recognised when there is an obligation at the balance sheet date as the result of a past event, it is probable that there will be the transfer of funds in settlement and the amount of the obligation can be estimated reliably. The provision is subsequently measured by placing a charge against the provision only for expenditure for which the provision was originally recognised.

13. POST BALANCE SHEET EVENTS

Subsequent to the year end, the Charity Commission approved the consolidation of the Trust's assets into a newly established charitable incorporated organisation, ForAfrika (CIO), which is intended to become the sole ForAfrika-affiliated registered charity in the United Kingdom. This process was substantially underway at the date the financial statements were approved. The Trustees are assessing the implications of this restructuring for the Charity's future reporting.

14. ULTIMATE CONTROLLING PARTY

The charity is controlled by the Trustees as listed in the Report of the Trustees.
