Achievements and performance

Summary of the main achievements of the charity during the financial period

The Club has gone from strength to strength increasing participation in football within the local community of East Kilbride. We have continued to build on our membership with a Walking Football Section which has over 30 players who range from 60 years of age to over 80 years of age. In addition, we have continued a very successful Over 35's football team which has encouraged players to continue participating in football and maintaining their health and fitness in the process.

We have organised large football tournaments/festivals to encourage greater interaction with other local football teams and fostering sporting relationships which will hopefully assist in increasing participation in our area.
