## THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW

### Report of the Trustees for the year ended 31 December 2024

The Trustees of the Royal Incorporation of Hutchesons' Hospital in the City of Glasgow present their Annual Report for the year ended 31 December 2024 under the Charities and Trustee Investment (Scotland) Act 2005 ("the Act"), together with the financial statements for the year then ended. They confirm that this report and the accounts comply with the requirements of the Act, the Charity Accounts (Scotland) Regulations 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### Structure, Governance and Management

Hutchesons' Hospital is an ancient Charitable Institution in Glasgow founded by the brothers George and Thomas Hutcheson, who died in 1639 and 1641 respectively, in terms of their Wills or Mortifications. Thomas also made provision for the education of children and may be said to be the founder of the Hutchesons' schools.

In 1872 the Hutchesons' Hospital Act 1872 was passed under which the administration of the institution was conducted by Patrons nominated thereunder. This was replaced by the constitution of the SCIO which provides for appointment of trustees: three to be nominated by Glasgow City Council, three by The Merchants House of Glasgow, three by The Trades House of Glasgow, one by the Presbytery of Glasgow, one by the Roman Catholic Church in Glasgow and up to four more by the existing trustees from time to time. At the time of preparation of this Report the serving trustees are as stated on page 2.

The Patrons administered both the Hospital and its pensions and the school for Boys and in 1876 a Girls' school was started in accordance with their powers under the Act. The two schools were amalgamated into a single co-educational school in 1976. In 1885, however, following upon the Educational Endowments (Scotland) Act 1882, a Scheme was made constituting "The Governors of Hutchesons' Educational Trust" as an incorporated body. This transferred the schools to the Educational Trust which continues to administer the school.

In line with the previous constitution, the present constitution of the SCIO provides that not less than 40% of annual net revenue is to be made over to Hutchesons' Educational Trust.

A number of other smaller funds or Mortifications are absorbed into and administered by Hutchesons' Hospital and reference to these is made in the Accounts and Notes thereon.

The conduct of the day to day business of the Hospital is carried out by the Trustees who meet at least twice a year. The Preceptor, who although elected annually normally serves for three years, is Chair of the Trustees.

The Trustees typically comprises individuals with long experience of trustee responsibilities. The Chamberlains, being a firm of solicitors, keeps the Trustees advised as to changes in the law relative to the responsibilities of trustees. Upon appointment a Trustee is provided with an induction pack containing information on past proceedings and an explanation of the Hospital's constitution and function.

### Objectives and Activities

The following is an extract from the Constitution of the SCIO:

- 7.1 The SCIO will promote, advance and further its charitable purposes by operating as a grant-giving charity based in Glasgow supporting those with sufficiently close connections to Greater Glasgow (the sufficiency of connection and boundaries of Greater Glasgow shall be determined by the Charity Trustees acting reasonably and having regard to any relevant factors from time to time (including on geographical matters and/or changes in local authority boundaries)) and in doing so it will:-
  - 7.1.1 subject to clause 7.1.3, make such provision (financial or otherwise) for those in need by reason of financial hardship or other disadvantage (including but not exclusively owing to older age, significant changes in personal circumstances, personal or family owned business failure, or bereavement where dependant(s) will then be in the care of a surviving family member(s));
  - 7.1.2 subject to clause 7.1.3, make such provision (financial or otherwise) for the education and learning of children, young people and adults with a view to meeting or providing for educational needs and improvements in and around the City of Glasgow;
  - 7.1.3 make over not less than 40% of the SCIO's Net Annual Revenue to Hutchesons' Educational Trust, a registered Scottish Charity (SC002922).

## THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW

### Report of the Trustees for the year ended 31 December 2024

#### Financial Review

The financial position at 31 December 2024 remained strong with investments totalling £3,046,448 and cash balances of £105,537.

The financial results for the year record a surplus of £178 before gains on investments of £171,125. The unrestricted funds achieved a surplus of £17,915.

The principal and indeed only funding source for Hutchesons' Hospital is its investment portfolio. The Investment Policy is to seek to maximise capital performance and revenue returns within 'Category 6 - Moderate Investment Risk' per the RBC Brewin Dolphin Risk Guide. In order to meet these objectives, management of the investment portfolio is delegated to Investment Managers on a discretionary basis.

#### Achievements and Performance

##### Benefits to Individuals

During the year no beneficiaries were added and 1 was removed from the list. There are now 11 beneficiaries. Payment of the benefits is at the pleasure of the Trustees and is not a contractual right. All beneficiaries are now receiving monthly payments. Benefits paid during the year amounted to £20,925 (2023: £27,530). The General Fund contributed £19,761 (2023: £26,366) and the Mortification Funds £1,164 (2023: £1,164) to the cost of the benefits.

##### Education

It is agreed that £24,620 be transferred to the Hutchesons' Educational Trust Fund for the year ended 31 December 2024 (2023: £24,620) in accordance with the Hutchesons' Educational Trust Scheme. These amounts, together with £380 (2023: £380) of interest from Mortifications, is specifically for the benefit of the Hutchesons' Educational Trust whose address is 21 Beaton Road, Glasgow. It has been agreed with the Educational Trust that the payment of these funds will be used for bursaries for pupils in need.

##### Risk Management

An Investment Policy Statement is maintained by the Trustees and regularly reviewed. This sets out clear guidelines regarding the management of the portfolio and our Investment Managers are immediately notified of any changes.

##### Reserves Policy

The General Fund represents the free unrestricted reserves of the Hospital available to pay benefits to individuals after providing for the amounts due to Hutchesons' Educational Trust in accordance with the Hutchesons Educational Trust Scheme. The balance on the General Fund at 31 December 2024 was a surplus of £67,312 (2023 a surplus of £49,397). Generally, the Hospital distributes all revenue income each year with capital gains or losses being added to the Endowment Funds. The trustees aim to retain cash reserves equivalent to at least 50% of annual expenditure (excluding investment fees which are paid out of endowment funds) which equates to approximately £33,000, the free reserves stand at £67,312 therefore meeting this targeted figure.

##### Future Development

The policy of the Trustees so far as future development is concerned is to maximise the total return from the portfolio, consistent with due financial prudence and protecting the real value of the Endowment Fund, so as to provide grants including precepts to as large a number of beneficiaries as possible, and to benefit education and Hutchesons' Educational Trust.

**THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW**

**Report of the Trustees for the year ended 31 December 2024**

**Related Parties**

Details of Trustees' expenses and any related party transactions are disclosed in Note 3 to the accounts. Trustees are required to disclose at each meeting if they have any conflicts of interest, and these conflicts of interest are noted in the minutes.

**Acknowledgment**

The Trustees take this opportunity to thank The Merchants House and its staff, the Chamberlains and the Visitor for their support during the year.

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable in Scotland requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities 5ORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 22 April 2025 and signed on their behalf by:

**THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW FOR THE YEAR ENDED 31 DECEMBER 2024**

I report on the accounts of the charity for the year ended 31 December 2024, which are set out on pages 7 to 15.

**Respective responsibilities of trustees and examiner**

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respects the requirements:

- to keep accounting records in accordance with Section 44 (1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW

### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024

#### 1. Accounting Policies

##### (a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest£.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

##### (b) Funds structure

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, have created funds for specific purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed, or through the terms of an appeal.

Endowment funds are permanent or discretionary expendable capital funds.

Further details of each fund are disclosed in note 13.

##### (c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment manager of the receipt of the dividend into the investment portfolio.

##### (d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (e) below.

- Expenditure on charitable activities includes Grants and Benefits Payable and other activities undertaken to further the purposes of the charity and their associated support costs;
- Grants paid to beneficiaries are at the pleasure of the Trustees and the beneficiaries do not have a contractual right.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure is incurred.

## THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW

### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024

#### 1. Accounting Policies (continued)

##### (e) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory examination and relevant legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on the number of individual grant awards made in recognition that the administrative costs of awarding, monitoring and assessing grants and benefits are broadly equivalent. The allocation of support and governance costs is analysed in note 6.

##### (f) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Charity does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

##### (g) Debtors

Debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### (h) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account

##### (i) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

##### UI Realised and unrealised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

##### (k) Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their fair value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### 2. Legal status of the Charity

The charity is a registered Scottish Charitable Incorporated Organisation.

**THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW**

**NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024**

**3. Related party transactions and Trustees' expenses and remuneration**

- (a) The Trustees all give freely of their time and expertise without any form of remuneration or other benefit in cash or kind (2023: £nil). No trustee waived the right to claim any expenses during the year (2023: £nil).
- (b) The Hutchesons' Educational Trust is a related party by way of Hutchesons' Hospital's entitlement to elect a Governor to the Board of Hutchesons' Educational Trust. Commander Nicholas T Parry is the nominated Governor.
- (c) A grant of £25,000 (2023: £25,000) has been paid/ is payable to the Hutchesons' Educational Trust.
- (d) The Merchants House of Glasgow was paid £8,000 (2023: £8,000) for administration services. Three of the Trustees are nominated by the Merchants House of Glasgaw.

## 9. Net income for the year

	2024 £	2023 £
This is stated after charging:		
Independent Examiner fees	<u>2582</u>	<u>2,504</u>

## 10. Investments

	2024 £	2023 £
<b>Investments at fair value comprised:</b>		
Equities	3,025,184	2,874,951
Cash	21,264	35,392
<b>Total</b>	<u>3,046,448</u>	<u>2,910,343</u>

	2024 £	2023 £
<b>Movement in fixed asset listed investments</b>		
Market value brought forward	2,910,343	2,866,629
Additions to investments at cost	434,444	647,018
(Decrease) / increase in cash investments	(14,128)	29,643
Disposals at carrying value	(448,504)	(744,649)
Net gain on revaluation	164,293	111,702
Market value carried forward	<u>3,046,448</u>	<u>2,910,343</u>

	2024 £	2023 £
<b>Net gains/ (losses) on investments comprise:</b>		
Realised gains/ (losses) on investments	6,832	(31,706)
Net gain on revaluation	164,293	111,702
<b>Total</b>	<u>171,125</u>	<u>79,996</u>

No individual investment constituted a material proportion of the total market value of the portfolio at 31 December 2024.

All investments are carried at their fair value. Investment in equities and fixed interest securities are all traded in quoted public markets, primarily the London Stock Exchange. Holdings in common investment funds, unit trusts and open-ended investment companies are at the bid price. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value).

The significance of financial instruments to the ongoing financial sustainability of the Charity is considered in the financial review and investment policy and performance sections of the Report of the Trustees.

The Charity manages investment risk by retaining expert advisors and operating an investment policy that provides for a high degree of diversification of holdings within investment asset classes that are quoted on recognised stock exchanges. The Charity does not make use of derivatives and similar complex financial instruments as it takes the view that investments are held for their longer term yield total return and historic studies of quoted financial instruments have shown that volatility in any particular 5-year period will normally be corrected.

## 11. Debtors

	2024 £	2023 £
Sundry debtors	<u>861</u>	<u>818</u>
	<u>861</u>	<u>818</u>

**THE ROYAL INCORPORATION OF HUTCHESONS' HOSPITAL IN THE CITY OF GLASGOW**

**William Whyte Bursary Fund (restricted)**

This fund provides a small number of modest bursaries to assist pupils of Hutchesons' Grammar School in pursuing University or further education. Interest is received from the General Fund at a rate of 5% per annum on the balance of the fund.

**Mortifications and Donations**

All income received by Mortifications and Donations is applied to the payment of benefits to individuals except for £60 of Blair's and Baxter's Mortification and £320 of Scott's Mortification which are distributed to the Hutchesons' Educational Trust Fund. The Mortifications funds are not separately invested and they receive interest from the General Fund on their capital account balances each at 5% per annum.

**Other Funds and Mortifications**

These generally are similar to the General Fund so far as eligibility for benefit is concerned although there are minor variations. The relative insignificance of the size of these funds compared with the General Fund renders separate treatment of them unnecessary.
