Structure, governance and management

Governing Document

SkatePal was registered as a Scottish Charitable Incorporated Organisation on 23 April 2014 and is governed by Constitution.

Recruitment and appointment of Trustees

Trustees are appointed or reappointed by the members at our AGM which is held in August each year.

Objectives and activities

Charitable Purposes

Our purposes are the advancement of public participation in sport (skateboarding) for Palestinians living on the West Bank, and the provision of free recreational facilities primarily in areas where sporting facilities are not readily available to young people, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended.

Activities and achievements

Partnership with Skateboarding.PS

This year saw SkatePal partner with Skateboarding.PS - a local skateboarding organisation based in Nablus.

Skateboarding.PS was founded by in 2023 as a platform to promote Palestinian skateboarding content. Since as been running regular classes at Asira skatepark as well as our new skatepark at Inash Al Usra, and with the help of local skaters has plans to grow the organisation into a fully fledged and locally registered non-profit.

A longtime friend of SkatePal, began skateboarding in 2019 a skatepark in Asira (near Nablus) after being intro to the sport via his neighbour years, we have been working together to keep the skate scene in Asir e, as well as more broadly throughout the West Bank.

Over the coming years, we will be working with and others to provide support and mentorship until Skateboarding.PS is a self-sufficien anisation. After 10+ years of working in Palestine, we are proud to be in a position to support home-grown organisations that are created by and for Palestinian skateboarders.

This partnership is exactly what we have been hoping for as we transition away from relying on international volunteers, and instead have local skaters managing the sessions.

Workshops at our office in Ramallah

In late 2023, we took on an office space in Ramallah as a space where our local team and community could store equipment and host different workshops. This space is now regularly used by Skateboarding.PS, who recently held 'Trash-to-Thrash!' - a workshop teaching participants how to upcycle old skateboards and turn them into new usable boards for the community.

Not only did this workshop bring old boards back to life, but participants also created custom pieces of art that were auctioned off to raise money for SB.PS.

We would like to thank who funded the purchase of tools for this project and for his help he workshop with our team.

Aram representing Palestine in Olympics + GQ man of year

In February this year, our local manager was the first skateboarder in Palestine to represent his country at the Olympic heats in Dubai.

This is only the second time that skateboarding has been in the Olympics, and we were extremely proud that participated.

was also named as one of GQ magazine's 'men of the year' for his work managing and ring the growing skateboard scene in Palestine. You can read the full article here.

Successful move to focus on shop income

As we did not have any income from volunteer fundraising, and fewer grants than usual due to the fact that we couldn't do many projects on the ground this year because of the situation, we focussed on generating our own income from our online shop. It has been a step learning curve for us but ultimately it is very important for us to be able to budget well and being able to rely on unrestricted funds from our shop sales.

Financial Review

We are pleased to report that our finances have remained steady again this year thanks to our diverse income model. We were not able to have volunteers out in Palestine for most of the year so the volunteer fundraising has decreased this year but we have made up for it with a 14% increase in merchandise sales. We are also grateful to those who have awarded us grants this year, which has made up 18% of our overall income. Our major grant givers were: the Berfred Foundation, and the Bank of Palestine.

Reserves

SkatePal held unrestricted funds of £26,634.71 at the year end. SkatePal holds reserves primarily for the following reasons:

- 1) Unforeseen emergencies both in Palestine and in UK
- 2) If the funding budget for the year is not able to be met e.g. having to cancel the international volunteer program which would lead to a loss of fundraising for the charity.
