

Independent Examiner's Report to the Trustees of Ury Players, Stonehaven.

I report on the accounts of the charity for the year ended 31 January 2026 which are set out on pages 1.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or
- 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Generalization is the process of identifying common features or patterns across different instances or examples. It involves abstracting specific details into broader concepts or principles.

The following is a list of the names of the persons who have been
 named in the above mentioned report, and who have been named in the
 report of the committee on the subject of the same, and who have been
 named in the report of the committee on the subject of the same, and who
 have been named in the report of the committee on the subject of the same,

The following information was obtained from the records of the Department of Health, Education and Welfare, Office of the Surgeon General, Washington, D.C., regarding the death of [redacted] who died on [redacted] at the age of [redacted].

[The remainder of the document contains several pages of redacted text.]

Page 10

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a message of condolence to the people of the State of California, who have been afflicted by a severe drought. The President expresses his sympathy for the suffering and his hope that the Congress will take prompt action to relieve the distress.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.
