in relation to these objects

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

Chairmans Report

2025 was a relatively quiet year for Kirkmahoe Parish Hall, with the main focus of the Committee being the refurbishment of the upstairs room.

The refurbishment commenced during the year, with support from Kirkmahoe Community Council, and by the end of 2025 the work was nearing completion. The project will provide the hall with an additional, improved space which can be used by local groups, community organisations and for private bookings. The Committee looks forward to making full use of the refurbished room once the remaining work is completed.

Aside from the refurbishment project, the hall continued to be available for use by local groups and the wider community, with the Committee continuing to oversee the day-to-day running and maintenance of the building.

I became Chair of the Committee in November 2025, following the Annual General Meeting, and would like to acknowledge and thank the previous Committee for the work carried out during the year. In particular, I would like to thank David Muir for his work as Chair and Terry Howat for her contribution to the Committee.

Looking ahead, the Committee's focus will be on completing the upstairs refurbishment, maintaining the hall and its facilities, and encouraging greater use of the hall as a community resource.

I would like to thank all members of the Committee, volunteers and those who have supported the hall during the year. We are particularly grateful to Kirkmahoe Community Council for its support of the upstairs refurbishment project.

Harry Maxwell
