Structure, governance and management

Type of governing document	Deed of Trust
Trustee recruitment and appointment	As the Trust supports our local 'community' hospital, we look to recruit new trustees from members of the local community. The trustees will discuss what our requirements are for a new trustee and nominate people they believe could add to our trust. We would then approach the person to discuss.

Objectives and activities

Charitable purposes	The principal object of the trust is to ensure all donations are used solely to benefit the care of the patients and their families while they stay at our community hospital.
Summary of the main activities in relation to these objects	We provide replacement furniture and equipment that is required for the day to day care of the patients in the hospital. This year we have bought 3 portable recliner chairs and replacement chairs and tables for the dayroom. We also provide entertainment for the patients through the provision of daily newspapers, puzzles, games and by brining in entertainment groups such as Music in Hospitals..

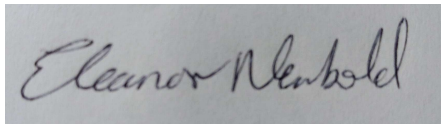

Declaration

The trustees declare that they have approved the trustees' report above.
