Developments, Activities and Achievements in the Year

The Trustees are pleased to report that the Charity has been making steady progress in all spheres of its operation. In 2022, The charity worked with so many other voluntary and third sector groups in the area of community welfare during the pandemic.

The charity was actively involved in evangelism which resulted in significant membership increase. The charity was also involved in various spiritual activities like prayers and music / worship nights which attracted significant community attendance. The charity also provided support and succor to many international students and migrants who arrived the community during the year and were supported on aspects such as settling in and integrating within the community.

Acquisition of new technical equipments and online social interaction tools were also embarked on as a way of reaching out during the year. With greater community based activities such as campaigns for inclusion, awareness to healthy living, campaign against illicit drug abuse within the community, the charity engaged in several outdoor events, seminars that focused on individual empowerment by providing trainings in the area of administration, information technology, social cohesion, marital obligations among others

The charity witnessed significant growth in terms of membership and continue to focus on it's primary mission which is to evangelise the community for our Lord Jesus Christ.

Risk Management

The trustees are quite satisfied with the management of the finances to fulfil the charity objectives despite the unpredictable nature of our income.

Future Developments

The Trustees holds the opinion that efforts should be made to purchase a permanent place of worship in the future to reduce the level of labor and energy exercised in setting up the place of worship during service days. Secondly, there is a strong need to work on the capacity building by increasing her team of volunteers in order to accommodate and service more people.

It is also the resolve of the charity to make better contribution to mission work in the coming year while we continue to pursue our church planting drive with increased vigor.

Thank you,
