6. **Charitable Purpose** To raise awareness of The National Trust for Scotland ("NTS") with people living in the London area. In the course of the year we organise one or two events each month eg visits to places of interest in London or the surrounding area, a theatre visit, talks, a spring tour. Any surplus funds from these activities are donated to the NTS.
7. **Reserves Policy** The current account balance at the NatWest Bank is kept at a level sufficient for normal payments. Excess income is deposited in our interest bearing savings account at the NatWest Bank until it is required to make a donation to the NTS. Our reserves are at present low as we made recently made a sizeable donation to the NTS.
8. **Income/Deficit** Our income for 2025/2026 has been from annual subscriptions, donations and the events we organised.
