Recruitment and Appointment of Trustees

All of the Association's trustees are appointed or reappointed by the members annually.

Governing document

The Association is a charitable unincorporated association, and our constitution sets out its purposes and administration arrangements.

Charitable purposes

Our aims, as set out in our constitution, are to promote and encourage among young people a practical interest in aviation and the Royal Air Force; to provide training which will be useful in the Services and civilian life; to foster the spirit of adventure and develop qualities of leadership and good citizenship.

Activities and achievements

During the reporting period of 1 April 2025 to 31 March 2026, the Squadron underwent significant revitalisation following the appointment of a new Officer Commanding in August 2025. Inheriting a unit with just six cadets and limited adult support, the period was defined by rapid growth, structural renewal, and renewed opportunity. A newly

appointed Civilian Committee was established to oversee and manage the Squadron's charitable functions, while crucial recruitment and internal progression within the adult volunteering team bolstered operational strength. This renewed support enabled a dramatic increase in cadet enrollment, alongside providing cadets with a rich array of opportunities and clear progression through the progressive training syllabus across the year.

Trustee remuneration and expenses

The trustees did not receive any remuneration or expenses during the year.

Reserves

All funds held are unrestricted.

Approved by the Trustees and signed on their behalf.
