Trimontium Trust SCIO

Trustees' Report

The trustees present their report with the financial statements of the Charity for the year ended 31 December 2025. The Charity is a Scottish Charitable Incorporated Association (SCIO) SC050613. It was registered in its current legal form on 4 December 2020.

Objectives and activities

Objects and aims

The SCIO exists to advance the education of the public through the conservation and development of the Roman remains at Newstead and collecting and conserving archaeological material from the Roman Iron Age and presenting it in the museum at Melrose.

The Trust also aims to play its part in supporting the well-being of the people of the Borders and the local heritage economy.

Trustees

The Trustees continue to discharge their duty with care and diligence. The Board is well-served by a broad range of talent and experience relative to the Trust's objectives. No trustees are remunerated for their service and input, which regularly run to an annual contribution of many hundreds of hours of personal dedication.

Chair's Statement

It is a pleasure to open the report for 2025 by stating that in every respect, the Trust continues to go from strength to strength. How have we achieved this? In brief, I would suggest this positive position reflects our strong vision and common purpose, and the complete commitment of our staff and volunteers (continuing to number >100) who have once more gone the extra mile. Since 2024, the Trust has continued to deliver on its core purposes with the people of Scotland and particularly with the Newstead and Melrose communities, and it has been a pleasure to be part of their festivities. We also continue to enjoy a productive relationship with several external partners, including the National Museums Scotland, Museums and Galleries Scotland, Live Borders and Scottish Borders Council. Academic alliances also continue to build, including Edinburgh, Aberdeen, Glasgow, Manchester, and Oxford Universities. I am happy to report that as in previous years, we continue to benefit greatly from the ongoing support of dear friends whose wonderful loans of artefacts, and strong financial support for exhibiting new material, continue to freshen and enliven displays and themes. Our archaeological and academic activities continue to expand. For example, in the summer of 2025, the Trust co-directed in association with Glasgow and Manchester Universities, a significant joint community archaeology project at Burnswark Hill in Dumfriesshire. This was so successful that a multiyear project is now envisioned at the site. Other fieldwork included Trimontium's own SurveyFest and a trip north to seek the site of Mons Graupius.

Achievements and performance

For a second year running, the Trust's work has also been recognised by multiple awards, not least by another Thistle award for best Southeast Tourist Attraction and then, against considerable competition, the National Award for Innovation in Tourism. The HALO project has now successfully completed (on time and on budget) and our evaluation of this has been highly commended by National Lottery Heritage Fund.

Financial review

The financial position regarding core activities remains positive with stable visitor numbers, despite a 5% national drop in footfall. There has also been a significant uptick in shop spend, membership, and general income. This has to a significant degree been driven by our utilisation of new technology in our museum offer. The resultant development of our VR cinema has been a major positive step in financial stability.

Trimontium Trust SCIO

Trustees' Report

Policy on reserves

At the present time, the organisation is building towards and retaining a healthy surplus, equating to at least six months of operational costs including museum running costs and staff salaries, to reduce the burden or need for potential redundancy and or financial crisis situations.

Plans for future periods

Aims and key objectives for future periods

The main aim for the immediate future is to continue to capitalise on our impressive visitor offer based in the Museum in Melrose, growing income and footfall, and continuing to expand our important outward-facing activities. The generous 25-year lease on the fort site itself, allows us to widen our scope for community engagement and financial stability.

Going concern

The combination of a stable income from Museum activities, gifts and grants coupled with good governance structure, good skill set among staff and trustees, and excellent performance in all the museum and Trust's key sectors (museum, archaeology and education), is complimented by strong demand for the Trust's offerings and increasing membership. These factors lead the F&R committee once more to forecast that the Trust will be able to meet its obligations and objectives for at least 12 months from the date of this report.

Trimontium Trust SCIO

Trustees' Report

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mrs Erica Reid
	Mrs Barbara Still
	Mr Ian Brown
	Miss Geraldine Gertrude Rowley
	Mr Stuart Angus Campbell
	Mrs Bronwen Elizabeth Campbell
	Mr William James Windram (resigned 12 December 2025)
Chairman:	Dr John Henderson Reid
Secretary:	Miss Kay Callander

Structure, governance and management

Nature of governing document

On 31 December 2020 Trimontium Trust merged with Trimontium SCIO, the objective of which is the advancement of the education of the public through conservation and development of the Roman remains at Newstead and antiquities associated therewith' as laid out in our Trust Deed of 1995.

The Museum Management Committee has seen further consolidation of its role in providing governance and financial oversight for the day-to-day running of the museum. The role of the committee has been significantly expanded to include 'activities' which represent a significant component of the Trust's output.

Trustee Ian Brown, who has considerable experience in the public sector, now provides financial oversight with his colleagues, Erica Reid and Barbara Still, via the Risk and Finance Committee.

Recruitment and appointment of trustees

The board of trustees is responsible for the appointment of additional trustees from time to time. This is done by an appointments sub-group who consider and interview nominees. These individuals are selected and approached on the basis of a perceived match of their skill set with the requirements of the Trust and then recommended to the Board for discussion and approval. An overarching aim of this process is to ensure the Board is as representative of the community the museum serves and at the same time aiming for gender and age equality.

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Cash flow risk

The charity's activities expose it primarily to the financial risks of changes interest rates. Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

Trimontium Trust SCIO

Trustees' Report

Credit risk

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

Statement of trustees' responsibilities

The trustees (who are also the directors of Trimontium Trust SCIO for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, Charities and Trustee Investment (Scotland) Act 2005 and The Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small companies provision statement

This report has been prepared in accordance with the special provisions relating to the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 12 August 2026 and signed on its behalf by:

John Reid

.....
Dr John Henderson Reid
Chairman

Trimontium Trust SCIO

Independent Examiner's Report to the trustees of Trimontium Trust SCIO ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the Company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 44 (1) (c) of the 2005 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Independent examiner's statement

Since the Company is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept as required by section 386 of the 2006 Act and Regulation 4 of the 2006 Accounts Regulation; or
2. the accounts do not accord with those records and comply with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 December 2025 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Trustees responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

The financial statements on pages 8 to 22 were approved by the trustees, and authorised for issue on 12 August 2026 and signed on their behalf by:

John Reid

.....
Dr John Henderson Reid
Chairman

The notes on pages 11 to 22 form an integral part of these financial statements.

Trimontium Trust SCIO

Notes to the Financial Statements for the Year Ended 31 December 2025

1 Charity status

The charity is limited by guarantee, incorporated in Scotland, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Station Cottage
Boleside
Galashiels
TD1 3NU

These financial statements were authorised for issue by the trustees on 12 August 2026.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Trimontium Trust SCIO meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Trimontium Trust SCIO

Notes to the Financial Statements for the Year Ended 31 December 2025

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Gifts in kind

Gifts in kind are recognised in different ways dependent on how they are used by the charity:

- (i) Those donated for resale produce income when they are sold. They are valued at the amount actually realised.
- (ii) Those donated for onward transmission to beneficiaries are included in the Statement of Financial Activities as incoming resources and resources expended when they are distributed. They are valued at the amount the charity would have had to pay to acquire them.
- (iii) Those donated for use by the charity itself are included when receivable. They are valued at the amount the charity would have had to pay to acquire them.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Trimontium Trust SCIO

Notes to the Financial Statements for the Year Ended 31 December 2025

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Freehold property	straight line over 30 years
Plant and machinery	25% reducing balance
Fixtures and fittings	25% reducing balance
Computer equipment	25% reducing balance

Stock

Stock is valued at the lower of cost and estimated selling price less costs to complete and sell, after due regard for obsolete and slow moving stocks. Cost is determined using the first-in, first-out (FIFO).

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trimontium Trust SCIO

Notes to the Financial Statements for the Year Ended 31 December 2025

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
