Trustee recruitment and appointment

Election of office bearers is decided and voted on at the annual general meeting (AGM). At other times existing committee members will elect new members to the committee and office bearers as necessary.

Or as appointed by NSW Welfare as parent body when required.

Objectives and activities

Charitable purposes

The purpose of the charity is to support and raise funds for the squadron, mainly by using cadets to do the fundraising and/or obtaining grants from various funding bodies. These funds are then spent to allow cadets to advance themselves in activities which are not already funded by the RAF/MOD through the Air Cadets Corps/Region/Wing structure.

Summary of the main activities in relation to these objects

To raise money for the squadron to support activities that foster the spirit of adventure and develop the qualities of leadership and good citizenship in the Cadets. This includes transportation to and from events and supply of equipment not funded centrally.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

The squadron had struggled to re-open on a regular basis, due to an absence of staff. Given its Highland location, and that squadrons in the area are also short staffed it has been difficult to support consistent activities for cadets in this area.

However, we have in the past year appointed a new Officer in Command, and the squadron is slowly returning to regular, and increased opening.

Many activities have been resumed, and recruitment will be ongoing for staff, cadets, and civilian committee in the coming year.

Financial review

Brief statement of the charity's policy on reserves

Reserves had been depleted due to the lack of income over the past few years, but the squadron has been fortunate to receive grant funding from the new Air Cadet Charity to assist with renewing technology equipment.

The aim is to rebuild reserves through local fundraising with involvement in community events held in 2026-27.

Income currently covers expenditure, but work still needs to be done to provide a buffer for the future.

Details of any deficit

There was a much smaller deficit this year, (£17) and the focus will be on reducing this to zero in the next financial year.

Donated facilities and services (if any)

APPENDIX 1

Other optional information

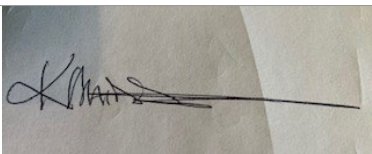

We anticipate a return to full opening by Spring 2026, with new staff being appointed asap, and a recruitment drive for cadets in parallel.

NSW Welfare, the parent body for the squadron has taken-over the management of the charity for an interim period to allow the squadron to re-establish its activities, develop new staff and recruit new cadets, As soon as possible NSW Welfare will assist with a transition to a new committee (target date end 2026).
