Trustees:

Mark Gallacher & Kyle Wilson (District
lead Volunteers)
Jack Brown (Group Lead Volunteer)
Bernard McGuinness (Trustee Chair)

Joshua Ruddy (Treasurer)
Linzi McCallum
Mark Sinnamon
Lee Anne Lynn

Reflecting on the past year we are proud of all that's been achieved across the Group. A year filled with adventure, outdoor activities, teamwork, fun and gaining Skills for Life.

Enthusiasm from both our volunteers and young people has created lasting memories and friendships for all.

We were fortunate enough to receive grant funding to purchase a second-hand power boat and safety equipment. Leaders have since gained qualifications to run sessions giving our young people more opportunities for outdoor activity.

The Groups Scottish Government funding for developing our HQ is now complete, we are just waiting on the Council providing us with our completion certificates. The new session at the end of August will see the Group promoting our new upgraded premises with an open day for our young people, parents and the local community.

The Scout Association fees are still rising and continue to be hard to achieve. We aim to keep our annual fees as low as we can to help our members and families to continue to support the Group. Fundraising is also getting harder to attain, however we continue to promote our Rag Bag collections which helps to meet the shortfall for subscription fees. The Group also does well to complete grant applications whenever possible.

We couldn't do without our dedicated team of volunteers and supportive parents who commit and encourage our young people to thrive in all our activities.
