---

The Trustees present their report and independently examined financial statements for the year ended 31 March 2025.

### **Structure, Governance and Management**

#### **Constitution**

The charity, which had operated for a number of years as an unincorporated organisation, was incorporated as a SCIO on 11 March 2013 (activated with effect from 1 April 2013). A copy of the constitution is available, which deals with the appointment and termination of Trustees and other legal and administrative matters, is available from the Trustees at the principal office address. The foregoing change of name was approved by the members at the AGM on 29 August 2017, having previously been approved by OSCR.

#### **Recruitment and Appointment of Trustees**

Trustees are appointed in line with the constitution.

#### **Organisational Structure**

There are currently 10 members of staff, to fulfil the day-to-day responsibilities on behalf of the Trustees.

The charity operates a hierarchical management structure in line with Board policy requirements. The key management personnel during the year were:

Centre Manager  
Centre Interim Manager  
Support and Advocacy Lead

#### **Pay Policy for Staff**

The pay of staff is reviewed annually by the Board with reference to pay scales for similar organisations within the sector.

#### **Related Parties**

There were no transactions during the period between the charity and a related party of any trustee.

#### **Risk Management**

The Board agreed a risk register in June 2025 and this will be regularly reviewed by the Board going forward.

#### **Objectives**

The STAR Centre is a member organisation of Rape Crisis Scotland. Rape Crisis specialist services are independent, community-based services, which work from a trauma-informed, gendered analysis and empowerment perspective to provide confidential specialist services to survivors of sexual violence to reduce the harm of rape and sexual violence. Our support is available to anyone aged 13+ (women, girls, men, boys and those who identify as transgender or non-binary), of any ethnicity who has experienced any type of sexual violence at any time in their lives.

We support survivors in partnership with a range of organisations including Women's Aid, Social Work, Police, Education, NHS and Criminal Justice.

### Activities

#### Support

The staff at The STAR centre: Rape Crisis Ayrshire offer emotional support and psychosocial education to survivors of any type of sexual violence in a safe, non-judgmental space. We adopt an empowerment approach, working alongside survivors to enable them to identify their goals for change, tap into and build on their strength and resilience and take control of their own choices and decisions.

Survivors can access support via face-to-face appointments within the centre or at another community setting; via telephone; via email or digital video technology such as Zoom or MS Teams. Approximately 80% of survivors choose to have face to face sessions but the range of options are crucial and have helped survivors overcome a range of pre-existing barriers including managing social anxiety, travelling from a rural location across Ayrshire and the associated time and cost and childcare responsibilities etc.

We support 13+ age group children and young people to deal with trauma as a result of sexual violence whether that happened recently or in the past and family members of people who have experienced any type of sexual violence. We also offer monthly group sessions for parents across Ayrshire supporting a child who has experienced sexual abuse.

From April 2024-March 2025, we supported 205 people. 34% were under 25, 91% of survivors were women and 51% had a disability or long-term health condition.

#### Education and Prevention

We deliver the National Prevention Programme, funded by the Scottish Government, by facilitating workshops across North, South and East Ayrshire to young people on four different topics Power, Consent, Understanding Sexual Violence and Pornography, each adapted for three ages/stages

From April 2024-March 2025, we delivered 290 sessions reaching 3,691 young people. As well as delivering in schools we also continued to work with a number of youth groups to extend the reach of our work.

We have continued to grow our social media presence and significantly improved the education resources available on our website. We continue to celebrate and raise awareness of a range of issues impacting women and girls within the remit of gender-based violence from a feminist standpoint.

#### **National Advocacy Project**

The National Advocacy Service is a national Scottish Government funded programme which supports anyone considering reporting experiences of sexual violence to the police. Our specialist Rape Crisis Advocacy Workers help survivors to access justice. We provide support and information at every stage of the criminal justice system, from before a statement is made through to the resolution of a court case. We can help to get updates on the progress of a case, provide information about special measures, and attend court with survivors. Advocacy Workers can also provide emotional support throughout the process and after court is finished.

People are able to refer themselves for advocacy support and Police Scotland and other agencies also refer directly to us.

From April 2024-March 2025 we received referrals for 149 and supported 256 people over this period. Due to staff changes we had to close our waiting list for advocacy support towards the end of 2024. 19 survivors were supported to give a police statement and 7 receive in-court support from our advocacy workers.

### Statement of trustees' responsibilities

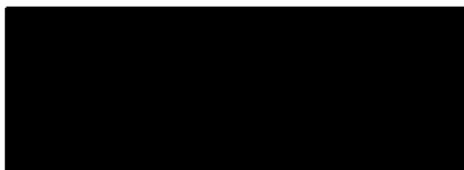

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 19 December, 2025 and signed on their behalf by:

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF The STAR Centre

---

I report on the accounts of the charity for the year ended 31 March 2025, which are set out on pages 2 to 9.

### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR YEAR ENDED 31 MARCH 2025**

---

**1 Accounting policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding period.

**(a) Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

**(b) Preparation of accounts on a going concern basis**

The financial statements have been prepared on a going concern basis which assumes that the charity will continue to operate for a period of 12 months from the date of approval by the Board. The charity is reliant on external grant funding and, while the trustees have no reason to believe that such funding will not continue, the charity's ability to continue in business is dependent on being successful in attracting such funding. While we have been able to build our reserves over the past year or so, the Board is aware that there is still some way to go in terms of our current activities and global economic uncertainty.

**(c) Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds which have been set aside at the discretion of the trustees for specific purposes.

Restricted funds are subject to restrictions on their expenditure imposed by the donor or grantor.

Transfers between funds are made at the discretion of the trustees taking into consideration any restrictions imposed on funds.

**(d) Income**

All income is included in the statement of financial activities when the charity is entitled to the income, the

Income from donations & legacies is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a special performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income is included when received.

Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

**(e) Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs

Governance costs includes those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examiner's fees and costs linked to the strategic management of the charity which are voluntary other than trustees' travelling expenses reimbursed. Although disclosed separately at note 11 governance costs now form part of charitable expenditure (page 2) under the current SORP.

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**1 Accounting policies (continued)**

**(e) Fixed assets**

Fixed assets (excluding investments) are stated at cost less accumulated depreciation. Minor additions costing below £250 are not capitalised. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life as follows:

Fixtures, Fittings & Equipment - 3 years straight line basis  
Computer Equipment - 3 years straight line basis

**(h) Pension costs and other post-retirement benefits**

The company operates a defined contribution scheme for the benefit of its employees. The cost of contributions are written off against profits in the year they are payable.

**(i) Other basic financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**(j) Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**(k) Debtors**

Short term debtors are measured at transaction price, less any impairment.

**(l) Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**(m) Deferred income**

Grants received in advance of the associated work being carried out are deferred only when the donor has imposed preconditions on the expenditure of resources.

**2 Staff costs and numbers**
