Charitable Purpose

Our purpose, as recorded on our constitution, is to advance the education of the public particularly the young people living and / or working in the Burrtisland and surrounding districts, in the art of bag piping and drumming by the presentation of public performances and other related activities and, in furtherance thereof, to promote, advance and encourage bagpipe playing and drumming and to promote traditions of pipe band music.

Activities and Achievements 2025

Grade 3A:

The newly promoted Grade3A band have had a surprisingly good season, especially considering the huge increase in the level of the bands they were competing against. The results over the course of the year show a lot of progression, culminating in a well-deserved 3rd place at the World Championships. The drum corps had a similar season, and their hard work was rewarded by being crowned Grade 3A World Champions. A couple of our younger members have chosen to pursue other musical avenues or have left for studies, but the band have been able to draw on the talent in the Novice B band. The hard work for the 2026 season has already begun, with new tunes already learnt ahead of a big push for the Grade 3A titles on offer next year.
