

7. SECRETARY'S REPORT: M.Everett commented on the Club's performance in National and County competitions and also on the Open competitions run by the Club. He thanked Highland Fuels, Anderson's Funeral Directors and Roger Sparkes for very kindly sponsoring these. Four successful Club competitions had also been run on Saturday afternoons during the season, whilst it had been difficult to find players for F & E matches. The Club had attracted a number of new members and was generally in a healthy state. Life Membership had been given to two members of 50 years' standing and Mr Andrew Paterson had been made Honorary President. Gents' ties had been played on schedule this year and there had been five different winners of the competitions. (He suggested that it would be good to have the ladies' final on the same day as the men's final next season). Unfortunately, the planned Open Afternoon had been wet and no one had attended.
