Note 1

Annual Report SCIO 051751 2023-August 2024

We have not yet transferred to Scio as we are trying to update the title deeds and this is proving to take some time.

The building project has had a major setback and has not moved on much this year at all but hoping to be back on track soon.

Hopefully the hall will be up and running again as soon as we have completed the renovation project.
