KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

REPORT of the MANAGEMENT COMMITTEE (Continued)

For the year ended 31 March 2026

The Management Committee present their report and the audited financial statements for the year ended 31st March 2026.

Principal activities

The principal activity of the Association as a Registered Social Landlord (RSL) is the provision of good quality homes at affordable rents for people in housing need.

Review of business

As detailed in the financial statements, the Association continues to operate from a strong financial position. Net assets totalled £7.28m, cash reserves were £2.43m and a surplus for the year was achieved of £399k. We have developed our 30-year plan and reviewed our strategic direction through our updated Business Plan. The Association continues to perform well across all key indicators as set in the ARC, and with targets as set by the Management Committee.

Following our governance review, we have developed and established key practices reflective of good practice and the guidance provided by the Scottish Housing Regulator.

Our Management Committee are now established, with new members integrating well. It is reflective in the appraisals that the Committee now feel we have a strong level of expertise across all key areas, and scrutiny is being actively applied.

Rent affordability and the financial challenges faced by our tenants remains an area of keen focus. We continue to look to balancing our key services with ensuring our rents remain affordable, and our success in achieving this can be measured in the positive response to our recent rent consultation. We have good working relationships with our contractors that have allowed us to deliver value for money with a balance between costs and service time and levels.

The Management Committee have reviewed development and explored potential development opportunities as well as the purchasing of stock in the open market. Whilst they feel that there may be an opportunity for limited growth, they also feel that it is important to ensure that we remain in a strong financial position to meet the likely changes in legislation with regard to property standards and the government's ongoing commitments to a more carbon-neutral position.

We continue to invest in our property stock and we have developed good working relations with key contractors, allowing us to plan and deliver on the projects set for the next five years. Of particular focus has been upgrading the energy efficiency of our properties through the provision of new windows and doors.

Maintenance of policies

The Management Committee continues to review all policies within a three-year schedule. They also carry out reviews where a policy needs to be reviewed earlier due to changes in legislation or best practice within the field. Our Maintenance Policies have been reviewed and updated to reflect our commitment to the health and safety of our tenants, particularly with regard to our focus on tenant safety from damp and mould.

Approach to Risk

The Management Committee continues to review risk quarterly. This approach allows them to keep up to date with changes both internal and external to the sector.

The Management Committee considers that changes to the energy efficiency requirements of properties may be a substantial risk in the future. Whilst this is likely, the full nature and expectations have yet to be agreed and clarified; this may in part be impacted by political changes as we draw closer to the Scottish Parliamentary elections. It is difficult to prepare for such an unknown, however, we have looked to mitigate this through ensuring we have retained adequate savings to prepare for such costs.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

REPORT of the MANAGEMENT COMMITTEE (Continued)

For the year ended 31 March 2026

Increased costs to parts is perceived as being a likely future risk arising from current geopolitical situations. Whilst these changes will be out with our hands, we have adequately budgeted to be able to be prepared for such financial challenges.

Financially, the organisation is in a strong position. Pension liabilities are likely to remain a risk, and we look to continue to measure and mitigate this through our long-term cash flow projections.

Treasury Management

The Association, as a matter of policy, does not enter into transactions of a speculative nature. The surplus funds of the Association are managed carefully using long-established banks or building societies.

Disabled Employees

The Association remains committed to being an equal opportunity employer. All employees are asked to confidentially disclose to the senior officer of any disability that may impact their employment and the Association look to carry out all reasonable adjustments. Risk assessments are carried out with regard to any new areas of working or where a disability has been identified. Applications for employment by disabled persons are given full and fair consideration for all vacancies in accordance with their particular aptitudes and abilities. In the event of employees becoming disabled, every effort is made to retrain them in order that their employment with the Association may continue.

Reserves

The Association needs to have reserves to ensure the organisation can function into the future and meet its future liabilities, including the major repairs and investment needs of its properties. The revenue reserve reflects primarily the past investment in the housing stock and reserves for future major repairs. The Association has a cash level to support its future plans and operating requirements. The Association reviews its maintenance spending plans regularly and re-assesses them in relation to reserves and cash flows.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

REPORT of the MANAGEMENT COMMITTEE (Continued)

For the year ended 31 March 2026

Statement of Committee's responsibilities

The Co-operative and Community Benefit Act 2014 require the Management Committee to prepare Financial Statements for each financial year, which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- Prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- Prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements - 2024. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the statement of comprehensive income and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

Insofar as the Management Committee are aware:

- there is no relevant audit information (information needed by the Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Association's auditors are aware of that information.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

REPORT of the MANAGEMENT COMMITTEE (Continued)

For the year ended 31 March 2026

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records; and
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that the:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Management Committee has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2026. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Auditors

The Association has carried out a procurement exercise and appointed CT Audit Limited as auditors. This will be again proposed and considered, in line with our rules, at the Annual General Meeting.

BY ORDER OF THE MANAGEMENT COMMITTEE

D Wilson
Secretary

Date:

REPORT by the AUDITORS to the MEMBERS OF
KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED on
CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on page 5 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 5 has provided the disclosures required by the relevant Regulatory Standards within the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee, and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls within the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

Opinion

We have audited the financial statements of Kingsridge Cleddans Housing Association Limited (the 'Association') for the year ended 31 March 2026 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity, and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2026 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefits Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2024.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt about the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Management Committee with respect of going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Management Committee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Management Committee

As explained more fully in the Statement of Management Committee's Responsibilities as set out on Page 4, the Management Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory frameworks that the Association operates in and how the Association is complying with the legal and regulatory frameworks;
- inquired of management and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud; and
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED (continued)**

As a result of these procedures, we consider that the most significant laws and regulations that have a direct impact on the financial statements were, but not limited to, FRS 102, Housing SORP 2018, the Scottish Housing Regulator's Determination of Accounting Requirements 2024, the Co-operative and Community Benefit Societies Act 2014 and the Housing (Scotland Act) 2010. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing financial statement disclosures against the requirements of the relevant financial reporting standards.

We also performed audit procedures to inquire of management, and those charged with governance whether the Association is in compliance with these laws and regulations, inspected correspondence with regulatory authorities including mandatory submissions to the Regulator, reviewed minutes of meetings of the Management Committee and relevant sub-committees, and reviewed available online information.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

NOTES to the FINANCIAL STATEMENTS

For the year ended 31 March 2026

1. Principal accounting policies

Statement of Compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for social housing providers 2018. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102.

Basis of Accounting

The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting by Registered Social Landlords 2014, and on the historical cost basis. They also comply with the Determination of Accounting Requirements 2024. A summary of the more important accounting policies is set out below.

Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the asset to which it relates.

Retirement Benefits

The Association participated in the Scottish Housing Association Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

The Association accounts for amounts that it has agreed to pay towards the Scheme deficit in accordance with paragraph 28.11A of FRS 102. The present value of this liability has been recognised in the Statement of Financial Position. The discount rate applied to this obligation is that of a yield rate for a high quality corporate bond.

The expected cost to the Association of pensions is charged to income so as to spread the cost of pensions over the service lives of the employees in the scheme taken as a whole.

The Association has moved from the Defined Benefit scheme to the Scottish Housing Association Defined Contribution Scheme.

Valuation Of Housing Properties

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 10 Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Structure	60 years
Central heating boilers	20 years
Radiators and pipework	40 years
Windows	20 years
Bathrooms	35 years
Kitchens	20 years
Rewiring	40 years

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

NOTES to the FINANCIAL STATEMENTS (continued)

For the year ended 31 March 2026

1. Principal accounting policies (continued)

Depreciation and Impairment of Other Non-Current Assets

Non-current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:

Asset Category	Depreciation Rate
Furniture and Fittings	10% straight line
Office Equipment	25% straight line

The carrying values of non-current assets are reviewed for impairment at the end of each reporting period.

Social Housing Grant and Other Grants in Advance/Arrears

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social Housing Grant attributed to individual components is written off to the Statement of Comprehensive Income when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

Disposals of housing property under the Right to Buy scheme are treated as non-current asset disposals and any gain or loss on disposal accounted for in the Statement of Comprehensive Income.

Taxation

The Association is a Registered Scottish Charity and is not liable to taxation on its charitable activities.

Estimation Uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Management Committee to exercise judgement in applying the Association's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below:

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant, and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

NOTES to the FINANCIAL STATEMENTS (continued)

For the year ended 31 March 2026

1. Principal accounting policies (continued)

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Capitalisation of Development Overheads

Directly attributable development administration costs relating to development activities are capitalised in accordance with the Statement of Recommended Practice.

Key Judgements made in the application of Accounting Policies

a) The Categorisation of Housing Properties

In the judgement of the Management Committee the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Pension Liability

The Association received details from the Pension Trust of the valuation of the pension scheme and the Pension Trust's estimate of the Association's future past service deficit contributions. The Association has used this to provide the basis of the pension past service deficit liability in the financial statements. The Management Committee feels this is the best available estimate of the past service liability.

2. Particulars of turnover, operating costs and operating surplus or deficit from affordable letting and other activities

NOTES to the FINANCIAL STATEMENTS (continued)

For the year ended 31 March 2026

19. Related party transactions

Members of the Management Committee are related parties of the Association as defined by Financial Reporting Standard 102.

Those members who are tenants of the Association have tenancies that are on the Association's normal tenancy terms and they cannot use their position to their advantage.

Any transactions between the Association and any entity with which a Management Committee member has a connection with is made at arm's length and is under normal commercial terms.

Transactions with Management Committee members (and their close family) were as follows:

	2026 £	2025 £
Rent received from tenants on the Management Committee and their close family Members	35,724 =====	36,520 =====

At the year end total rent arrears owed by the Management Committee (and their close family) were £102 (2025: £Nil). The rent received from the shared owner during the year was £2,430 (2025: £2,352).

	2026 No.	2025 No.
Members of the Management Committee who are tenants	8 =====	6 =====
Members of the Management Committee who are owner occupiers	1 =====	1 =====

Mr. John Barclay is on the Board of Kingsridge Cleddans Economic Development Group (KCEDG). During the year the Association paid rent totaling £23,581 (2025: £22,315) to that organisation.

20. Details of association

The Association is a Registered Society registered with the Financial Conduct Authority and is domiciled in Scotland.

The Association's principal place of business is KCEDG Commercial Centre, Unit 2/3/6, and Ladyloan Place, Glasgow, G15 8LB.

The Association is a Registered Social Landlord and Scottish Charity that owns and manages social housing property in Glasgow.

21. Management Committee Member emoluments

Management Committee members received £160 (2025: £8) in the year by way of reimbursement of expenses. No remuneration is paid to Management Committee members in respect of their duties to the Association.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

NOTES to the FINANCIAL STATEMENTS (continued)

For the year ended 31 March 2026

22. Retirement benefit obligations

General

Kingsridge Cleddans Housing Association Limited participated in the Scottish Housing Association Pension Scheme (the scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The Scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The last triennial valuation of the scheme for funding purposes was carried out as at 30 September 2024. This valuation revealed a deficit of £79.5m. A Recovery Plan has been put in place to eliminate this deficit, which will run from 1 April 2026 for a period of at least four years to 31 March 2030. This may be extended to 31 March 2032 if the judgement in the court case referenced below results in additional Scheme liabilities. This position will be reviewed at the 2027 valuation.

The Scheme is classified as a 'last-man standing arrangement'. Therefore, the Association is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the Scheme.

The Association accounts for the Scheme as a defined benefit scheme.

For accounting purposes, a valuation of the scheme is carried out with an effective date of 30 September each year. The liability figures from this valuation are rolled forward for accounting year-ends from the following 31 March to 28 February inclusive. The latest accounting valuation was carried out with an effective date of 30 September 2025. The liability figures from this valuation were rolled forward for accounting year-ends from the following 31 March 2026 to 28 February 2027 inclusive.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

NOTES to the FINANCIAL STATEMENTS (continued)

For the year ended 31 March 2026

22. Retirement benefit obligations

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up. The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

Full judgement in the Verity Trustees v Wood court case is still awaited. Should the Court decide that historic benefit changes need to be applied differently, then some member benefits would need to be increased, which would increase the value placed on Scheme liabilities. No allowance has been made for potential additional liabilities within the estimate made, although this will be addressed if required by the potential extension of the Recovery Plan referenced above.

23. Capital commitments

Amounts contracted for but not provided in the financial statements amounted to £61,388 (2025: £24,622).
Amounts authorised by the Committee of Management but not contracted for amounted to £Nil (2025: £Nil).
