

RE: Annual Audited Financial Reports

Hope Vere Anderson Culture and Heritage Centre, SC053749

Dear Mr. Stevens and OSCR representatives,

I write on behalf of charity President and Trustee, Hope Vere Anderson. Mr. Anderson is seriously ill as a post-Encephalitis patient. He was taken by ambulance on 13 January 2026 to the Royal Infirmary in Dumfries, and hospitalized for three months. His physicians have advised that it will be some time before he will be well enough to address his business concerns, inclusive of concerns of the SCIO charity. Although he is recovering slowly, he is not yet well enough to address our SCIO annual audited financial reporting. It may be several months before Mr. Anderson can resume his duties.

I believe you will find, in reviewing our submitted Annual Report, that our charity activities and efforts have been many, our intentions honourable, and our request for more time worthy of consideration.

Engage Renfrewshire has agreed to partner with us in our next steps fundraising goals.

I request you grant the Hope Vere Anderson Culture and Heritage Centre - SC053749 trustees additional time to prepare our audited financial reports, once Mr. Anderson has recovered and is able to address charity business. Thank you.

Best wishes,

Constance
