Structure, Governance and Management

Governing Document

The Association is governed by the Constitution.

Recruitment and Appointment of Trustees

Members of the committee are appointed at the Annual General Meeting and serve for one year when they may stand for re-election.

The Chairperson, Treasurer and Secretary shall hold office until the conclusion of the Annual General Meeting next after their election but shall be eligible for re-election.

The committee may co-opt up to three members of the Group, who after co-option will serve until the conclusion of the Annual General Meeting.

Organisational Structure

The committee is responsible for the affairs of the Association and normally meets monthly.

Objectives and Activities

The Association aims to collect and record in written and digital form the history of Glengarry, of its people, genealogy, and mythology. To make such information available in the Heritage Centre, to visitors and to any others interested in such matters. The Heritage Centre is open from April to September each year, for visitors, but out of season visitors can gain admission by appointment. The Centre is also open on special occasions such as Armistice Sunday.

Achievements and Performance

Visitors from all parts of the world attended the Heritage Centre, and enquiries via written communication were answered. A Visitor Book is kept, showing how widespread is our audience. The Centre is open through the summer months, and outside of that, by appointment. Group visits can be arranged.

The Association liaised with SSE to seek help to improve the neglected historic MacDonell graveyard at Kilfinnan and to alert them to key heritage spots on the Telford road through Glengarry, to reduce construction damage from their electricity grid projects. The Association liaised with the Glengarry Community Development Trust and Community Council to map a Heritage Trail.

Archives and information were digitised and made available online in collaboration with [Am Baile](#)

Financial Review

The financial position is reviewed at each committee meeting. Income is derived from membership fees, donations, sales and grants.

Statements of Trustees' Responsibilities

The Committee must prepare financial statements showing transactions of the Association during the financial year. The Committee is responsible for keeping proper accounting records which, on request, must reflect the financial position of the Association at that time. This must be done to ensure the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006.

Approved by the Trustees and signed on their behalf
