

WESTRUTHER PUBLIC HALL TRUST

Inland Revenue Scottish Charity No. SC 005313

Annual Report 2025

During the past 12 months, the Westruther public hall has continued to serve as a warm space for any members of our community who should need this. The foyer is open daily and those in need can collect fresh bread and other donated foods from our hub. Every week food is donated by Warburtons and local supermarkets such as Sainsbury's and Marks and Spencers.

We hold fundraising events twice a year which are well attended and provide an opportunity for the community to come together. These were:

- Summer quiz night
- Christmas fair

The hall continues to play an important part in the wider rural community, hosting the WRI annual flower show and the annual sheep show

The hall is available to hire for classes, community events, parties and private events. It has been host to public meetings and consultations and continues to be used as a polling station.

In summary, the hall is important to Westruther and surrounding area and it continues to be a space in which the community can come together.
