AGM

Present: Marc Jacobs chairman.

Apologies: Hamish F. McLauchlan treasurer, John E. Clark Independent Auditor.

Annual accounts.

Marc Jacobs reviewed the annual accounts.

Activities. Marc Jacobs has tried to convene a formal AGM with the treasurer and the independent auditor over the past year without success. This has been due to serious ill health of both Hamish and John.

Both are unable to continue with the helpful role they have played over the years for the charity and have resigned from their posts due to health reasons.

Marc has not been able to organise alternative cover and will finalise this years review but plans to involve others for next review.

Hopefully this can be taken into account and be accepted.

The Account has not seen any transactions since the last AGM.

The amount on account is £2,034.72,-

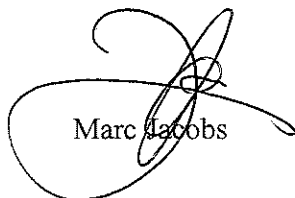

This was checked and confirmed on 14.09.2021, 04.05.2024 and 03.07.26.

No further activities have occurred over the same period.

Expected next AGM in May 2026.
