Achievements and performance

Summary of the main achievements of the charity during the financial period	During 2025–2026, Kintyre Link Club continued to provide a welcoming, supportive environment for adults experiencing poor mental health, helping to reduce social isolation, build friendships and promote recovery and wellbeing. Highlights throughout the year included regular swimming sessions, sound baths, a group trip to Oban and participation in a Gaelic music workshop. These activities provided opportunities for members to try new experiences, build confidence, improve wellbeing and strengthen friendships. The Club also welcomed representatives from TSI and the Community Mental Health Team, helping to strengthen partnership working and maintain connections with local services. A particularly exciting development was the start of the CHARTS project, creating opportunities for members to engage with local heritage, culture and creative activities. Through its varied programme of activities and continued partnership working, Kintyre Link Club remains an important community resource, offering peer support, a sense of belonging and meaningful opportunities for people experiencing mental ill health. The Club continues to play a valuable role in tackling loneliness and isolation and supporting members to lead fuller, more connected lives.
