Objectives and activities

Charitable purposes

1. Objects: the objects of the Hall Trustees shall be;-
 - a. To provide, for the benefit of the inhabitants of Airlie Village and its environs, without distinction of political, religious or other opinions, facilities for recreation and leisure time occupation with object of improving the conditions of life for the said inhabitants.
 - b. To secure the establishment, maintenance and management of Airlie Hall for activities promoted by the Hall Trustees in furtherance of the above objects or any of them

Summary of the main activities in relation to these objects

The principle activity is the operation and maintenance of the village hall and the organisation of fund raising events to allow the fulfilment of the objectives

Achievements and performance

Summary of the main achievements of the charity during the financial period

Fundraising events were carried out in order to raise funds for the charity to ensure the continued upkeep of the hall. Unfortunately there were structural issues identified within the hall and it was considered unfeasible to repair these resulting in the closure of the hall due to it being unsafe to operate in its current condition.

Financial review

Brief statement of the charity's policy on reserves

The Charity's policy is to maintain a reserve fund to cover the regular annual running costs of the hall such as insurance, heating and regular repairs as well as some additional reserves to meet unforeseen repairs.

Details of any deficit

The structural issues identified within the hall resulted in the hall closure and therefore inability to generate future funds. Minimal costs were incurred while investigating the future of the hall and feasibility of repairs. Fundraising activities resulted in deficit as payment was made for the use of alternative venue.
