APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

The Village Hall continues to be well used and supported by the local community. Monthly Pub nights and Book Group are popular and the Meditation Group meets once a fortnight. Yoga also took place during the winter. This year the hall was also used on a regular basis for Rugby world cup social events, the ever-popular Christmas concert, a Burns Supper, a Spring Community party and a Halloween social. The hall is also regularly hired for weekend piping workshops.

The board have continued to ensure the building is kept in a good state of repair. A hole in the gable end has been repaired. The cost was shared with the flat below. Beaver damaged trees close to the hall have been removed and a beaver dam next to the hall removed by the council. The beavers have recently returned but traps to remove them to a more suitable location have been set up.

Improved lighting has been installed in the entrance stairwell and a new cover, pads and battery purchased for the defibrillator. A new carbon monoxide detector was installed in November. The hall tables have recently been repaired thanks to the Men Shed.

Old photographs of the nearby railway and a painting of the hall were kindly donated by a former resident of Dalguise and have been framed and hung up in the hall.

Financial review

Brief statement of the charity's policy on reserves

The Board agreed that a minimum of £2000 should be held, which is more than our average annual expenditure.

Details of any deficit

Despite rising costs the hall, thanks to various grants, fund raising events and rental income, is still in a relatively healthy place financially.

Donated facilities and services (if any)
