Objectives and activities

Charitable purposes	To provide and option for men (aged 18 and over) in the Broughty ferry and surrounding District to meet with others in an open, inclusive and undemanding situation. The primary purposes are to combat lonliness, isolation and provide mental and physical support (when / if needed) along with companionship and inclusion. A bonus activity, but in fact the main driver for many of the members, is the facility to provode support to the local community in general and to other charities and community initiatives.
Summary of the main activities in relation to these objects	Assistance to local primary and nursery schools with non-=curricular activities and facilities. Our workshops provide an opportunity for members to bond with others, learn new skills and participate in mutually beneficial activity. We encourage all our members, not just the committee to provide support to their fellows. By combining the broad range of skills, qualifications and knowledge of members we can assist each other in dealing with an ever increasing challenging world.

APPENDIX 1

We continue to embrace new members. The range of other charities and community initiatives that we have supported continues to expand.

Financial review

Brief statement of the charity's policy on reserves	We continue to have a modest reserve opf money in the bank and have in fact increased that slightly from last year. Our modus operandi continues to be as a not for profit organisation which means that wethe assistance to others is maintained at a very reasonable cost level.
Details of any deficit	We have no deficit this year. Ewe do have a small profit but that is earmarked for improvement works to maintain the premises we currently use and create better/safer/ more reliable facilities.
Donated facilities and services (if any)	The only donated facility we have is the shed that we have on a very reasonable basis from Broughty Ferry YMCA
