Campbeltown Young Farmers Club**REPORT OF THE MANAGEMENT COMMITTEE****YEAR ENDED 28/02/2025****Governing Document**

The Campbeltown Young Farmers Club is an unincorporated charity. As governed by our constitution, the club provides activities, which further personal development, cultural education and training of young people to make rural life more attractive to the young members of the community.

Charitable Purposes

The purpose within our club is to give young members of our community the opportunity to learn new, improve existing skills and promote the farming industry whilst meeting lifelong friends at the same time. We hold events throughout the year with the aim to help our local community via fundraising activities. We also look for opportunities to compete at local events such as highland games with the aim to give our members the best experience possible.

Trustee Recruitment and Appointment

Office bearers propose new candidates to take on their roles and if they are willing to accept this, it is then seconded by another committee/club member.

Summary of the main activities in relation to these objects

Throughout the year we have multiple committee meetings to organise events for the weeks following. These events bring the club members together enabling members to support each other and develop our skills as well bond socially. We also support local charities when holding fundraising events such as our annual tractor run.

Achievements and performance

Throughout the year, the club held many events and activities as detailed below.

We started off the year with a New Members Night which was very well supported by existing members; we were able to attract several new younger members which will help the club continue to grow in future years. We held a coffee morning in the local church hall which raised £774.96 for the club. In May we had 10 members run our local 10k to help raise a total of £710 for Are Ewe Okay? With 3 of our members finishing 1st, 2nd and 3rd in the junior female category. On July 3rd our Chairman, Secretary and Treasurer had the incredible privilege of meeting King Charles III during a local visit to Campbeltown. We discussed farming in the local area and he was very interested to hear about the rise in numbers of woman in agriculture/Young farmers locally, this raised great attention to the club with an interview of our secretary making national news. We held multiple games/sports nights outside in the summer months which involved events such as rounders, football, and hockey. As we came into the winter months, we switched to indoor sports such as badminton and volleyball. We also had a few nights at the beach during the summer which involved water activities followed by a BBQ that were very well attended. These events were great ways for

our members to bond and for the newer members to integrate themselves into the club. In the winter we held club quiz, beetle drive, games nights and movie nights which helped our members work together/interact with each other. This year we held our annual tractor run in aid of Kintyre Kidney Dialysis, which was a great success, with a record turnout and a grand total of £2200.32 raised. This year we entered our second year in Clyde and Central District, which gave our club the opportunity to compete in more events. Members from our club attended football, volleyball, netball as well as Mr & Miss, with a good amount of success, especially with Mr & Miss with 2 of our members finishing 2nd and attending West Mr & Miss. Our club also did very well at C&C sports day. This year we had an exchange with Stranraer & Rhins Young Farmers, who we enjoyed different activities with such as a local stock judging as well as attending a local distillery, farm tour and pub golf. In December we hosted our annual dinner dance which was well supported as always and was an ideal way to end a busy Calander year for the club.

In the forthcoming year the Management Committee are planning to promote the club more in the local community and try to attract new members to join. We always try to keep all members motivated by varying the activities that we hold, however with us being in a small town this isn't always easy to do.

The clubs Management Committee are appointed by the members at our annual general meeting, which is held in late March each year. The Chairman elected was Andrew Millar, Secretary – Claire Soudan and Treasurer – Kathryn Semple.

Financial Review

Require details of the charity's reserve policy – level of reserves held, why they are held. If the charity is not holding the reserves that are set out within their reserves policy the steps they are taking to remedy this should be included here.

If the charity has returned a deficit for the year then details of why the deficit has arisen and steps being taken to redress this should be included here.

Campbeltown Young Farmers Club

YEAR ENDED 28/02/2025

Independent Examiner's Report to the Management Committee on the unaudited financial Statements of the Campbeltown Young Farmers Club.

I report on the financial statements of the Charity for the year ended 28/02/2026 set out on Pages 7 to 9.

Respective responsibilities of the management committee and independent examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity's management committee consider that the audit requirement of Regulation 10 (1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanation from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

I have carried out such investigations as were necessary to enable me to form an opinion as to whether proper accounting records adequate for the purposes of the Charity have been kept and the financial statements of the Charity were in accordance with the accounting records.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention

1. Which gives me reasonable cause to believe that in any material respect the requirements:
 - . to keep accounting records in accordance with section 44 (1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - . to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations.
 have not been met
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
