

Chairmans Report

Second World War Air Raid - Wick

Company No SC035080

I would like to thank everyone for attending our AGM and for all their support over the year.

At our last AGM meeting we were very pleased to welcome Elise Gill as a new Director and we are very grateful to her for her contribution to our group it is much appreciated. I would also like to thank Graham for continuing in his role as Secretary and he has done an excellent job of keeping us advised on how things are progressing . Finally I would like to thank Elizabeth our Treasurer for keeping our accounts up to date.

The community has continued to support and use the garden and it is a very welcoming place to meet up.

It was so lovely to see last year the new flower bed that Wick Thistle FC and volunteers completed and the flowerbed so colourful during the summer. There continued hard work is much appreciated. It was also lovely to see the exhibition of poppies that the children had made. It is so lovely to see children in the garden.

Also wish to thank Catherine, Yvonne and all out volunteers who help with the weeding and keeping garden tidy.

We were so pleased to be able to get the donation from Tesco and this has enabled us to now be in the final stages of being able to publish our booklet on the history of the garden . It is truly a very memorable reflection of the garden and we cannot thank Alan Hendry enough for being able to publish this for us we are all indebted to him.

It is especially pleasing when school pupils continue to come and learn about the tragic events that will forever be associated with this small corner of Pulteney, and to see for themselves why the garden is such an important place for remembrance

John Mackenzie
