

The hall is very lucky as we have a healthy bank balance. Our challenges going forward is putting on events that the community will support and try and increase the hall being hired out. It is a fantastic hall and it would be great to see it getting used more.

As the chairperson for this year I would just like to say a huge thank you to all the Committee who have spent so much time supporting not only myself but the village hall and events. Specifically to vice chair Alice Rourke for taking meetings when I am unavailable, Elaine Murray our treasurer for keeping control of our finances, Lesley Turney, Secretary for keeping our minutes well written and up to date and for keeping our paperwork all sorted also Ann Lammie for keeping the hall spotless, taking bookings and opening and closing the hall when needed.
