

Kilmallie Singers AGM – 4th September, 2025

Chairperson's Report

Well, that's another year over already – must be getting old!

In my humble opinion, Kilmallie Singers had an amazing year! We had a successful Christmas Concert in the Fort William Kilmallie Church which was well attended and certainly appreciated by our audience. Our Spring Concert was the most incredible evening ever! 'Yanomamo' was an incredible amount of work, especially for Peter Rose, Catherine and Jennifer but, I hope they would agree, well worth it! The children were amazing, they behaved well and, more to the point, sang beautifully. Feedback from my children was 'When can we do it again', they were buzzing! Extra special thanks must go to Peter Rose and Ann Conlon for rewriting most of 'Yanomamo', to Jennifer for accompanying some fast and tricky pieces, to the children for all their hard work, remember they did it from memory, and to all the Choir members and friends who joined us to swell our ranks and help make it the success it was. Finally a massive thank you to Catherine for her enormous amount of work, rehearsing us, rehearsing the children, co-ordinating scores and a million and one other things – it was all worth it! If there's anything to be learned from 'Yanomamo' it is that we come too cheap and if we ever undertake anything like that again, we have to increase our ticket prices!

We have had Social Evenings this year, arranged by Fiona and her helpers, again these have been great successes and we all probably feel we know each other a little better now and not just 'backs of heads'! Huge thanks to Fiona and everyone for arranging our Socials and here's hoping we continue this year.
