### Achievements and performance

#### Summary of the main achievements of the charity during the financial period

We received 2 separate grants from Scottish Borders Council totalling £490,000 to build new changing and shower facilities, so they are now larger and modern.

We have also managed to keep our free clothing and boot exchange going. We also have a policy for families that if they can't afford to send their children to football, the club will cover the cost of this. We keep in touch with the families to ensure the children are happy to continue playing.

We are also part of a Mental Health Scheme called Headstrong where anyone is free to contact them for help with any problems they may be facing.

We also help with the Berwickshire Carers Group which provides a safe and private space for carers to come and talk and gives them time away from caring duties.

The club has gone from strength to strength with more coaches coming on board we are now partnered with our junior section a business named South East Soccer which provides 1-1 Coaching for our youngsters.
