STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity governing document is a SCIO – Foundation Constitution registered 18TH October 2024. The Charity is governed by a board on which the trustees are represented. It meets regularly to review, plan activities and monitor the financial position.

OBJECTIVES AND ACTIVITIES

The Objects of the organisation are first to advance the Christian Religion in accordance with the statement of beliefs for the benefit in the United Kingdom and in such other parts of the world as the trustees may think fit from time to time. The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit before deciding what activities the charity should undertake.

ACHIEVMENTS AND PERFORMANCE

The Organisation continues to hold successful meetings through the year in which individuals were equipped and educated on the principles and doctrines of the Christian faith. The organisation continued to hold several events during the year in which individuals came from all around the community to attend. This has produced good results in reaching and helping members of the community.

FINANCIAL REVIEW

The income of the charity is above £8250. Though it is a small amount for the year the costs have been well managed over this period. The organisation is still in a good position to manage its costs. The main costs of the organisation were for outreach costs supporting members of the public affected by the pandemic.

RESERVE POLICY

It is the policy of the Charity to maintain unrestricted funds, which are the reserves of the charity at about 3 months of unrestricted expenditure. This provides sufficient funds to cover any emergency expenditures that may arise from time to time. The charity will seek to maintain this level throughout the year.

RISK MANAGEMENT

The charity have assessed all the major risks to which the charity is exposed to, in particular those related to operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to major risks.
