Report of the Trustees  
for the Year Ended 31 December 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Mission statement**

We benefit society by working with a diverse range of schools, universities, charities and businesses in order to improve the practice of investment, to widen access to the finance industry and to broaden knowledge of finance and financial history.

**STRATEGIC REPORT**

**Achievements and performance**

**Charitable activities**

The company carries out a range of activities in the world of financial education:

- (a) Practical History of Financial Markets - a twice-yearly in-person course focusing on financial history;
- (b) Advanced Valuation in Financial Markets - the online version of our course sold through Heriot Watt University;
- (c) Advanced Valuation in Financial Markets - an on campus version of the course available as an elective option at Heriot-Watt University;
- (d) The Library of Mistakes - a library, which is open to all, specialising in business and financial history;
- (e) An outreach programme of educational events and podcasts under our Library of Mistakes branding;
- (f) Future Asset - an initiative encouraging greater female participation in the financial sector primarily through its work in schools;
- (g) Market Mind Hypothesis - a novel theory which aims to improve the understanding of economics and investing using the tools of cognitive science. The project is now a Scottish incorporated charitable organisation and no longer operates under our auspices.
- (h) Leavers' Money Skills - offers financial education classes to schools in Scotland

Any surplus funds generated by these operations are donated to other charities with similar charitable goals.

Report of the Trustees  
for the Year Ended 31 December 2025

**STRATEGIC REPORT**

**Achievements and performance**

**Charitable Activities**

Didasko Education Company

It is my pleasure to provide this review after my first (partial) year as chairman of Didasko Education Company. I took on this position because of my strong belief in the aims and values of the charity in promoting financial education across society, and I am delighted to be joined in this venture by our new vice-chairman Julian Ide. Our initial impressions suggest an ambitious charity that delivers a great deal with limited resources.

One of the key elements that helps us use our donation and commercial income so efficiently is the co-operation and enthusiasm of the many people who do so much for us - our people, volunteers and supporters. One thing that sets an organisation apart in the charitable sector is the ability to leverage its activities through co-operation. We do so internally across our various charitable projects but also very successfully with external partners throughout the UK and internationally who, like us, are passionate about the good that financial education can do.

Our charity is a coming together of various charitable projects by design and by cultural alignment - I am impressed with the way our people work together across projects and I've set myself and the board a target of making this even more of a reality. Didasko is a financial education charity for all, whether that's working with young people, with those who are disadvantaged, with financial professionals, with academics or high-net-worth individuals. Our aim is to make the finance sector work better for everyone and will be developing some strategic changes throughout 2026 to help ensure that the whole of Didasko is greater than the sum of its parts.

My other central task as chairman is to ensure good governance - governance is vital because it helps guarantee that when people give us their hard-earned money in order to fulfil our shared goals, we have the right decision-making processes that ensure that money is well spent. I'm truly indebted to the work that Tony Foster and David Clarke have put into this process over recent years but it is a never-ending mission. It's our duty to continue to ensure that our charity has enduring high quality governance, not least to honour our wonderful donors who make the charity's activities a reality.

Library of Mistakes

The Library of Mistakes continues to grow in stature and is our most publicly recognisable brand, having created something unique in the finance sector - a community where all can come together, whether financial professional, student or interested amateur. In order to encourage even more people into the library we have put in place a membership system that has been eagerly taken up and allows individuals to pay a small annual fee that gives them access to the library as and when they want.

As well as being a fantastic academic resource, and even a very enjoyable place just to sit down and read a book, the library is as much about the activities that take place under its remit. Over 2025 the library put on events on average every two weeks, ranging from topics as diverse as financial swindles to the insurance market for kidnapping. We were delighted that the library provided the lion's share of publicly available events during the Edinburgh Finance Festival while we are also very excited about the appointment of Robbie Mochrie, a former academic at Heriot Watt University, as a senior adviser who will help shape our programme in coming years and enhance our outreach to students and the academic community.

We are as much about learning through entertainment as we are about rigorous academic study. Our intent to use the dramatic arts to tell stories in finance was underwritten last year when we welcomed Brian Cox and some of the cast of Make it Happen, a play telling the story of the rise and fall of RBS, into the library for an event celebrating its showing at the Edinburgh International Festival. The library has become a venue for showing films with a financial theme, while our media activities go from strength to strength. Our podcasts attract thousands of listeners and we are extremely grateful to our PR team of Fraser Allen and Leila Johnstone who in the past year introduced our Shelf Life podcast, which looks at issues across the charity as a whole and the financial education landscape. We were also delighted to form a partnership with one of the most exciting podcasts in the financial history sphere - A Long Time in Finance with Neil Collins and Jonathan Ford - and we are hoping that this partnership will bring new audiences to our wide range of media.

We are continuing with our plans to open in London - a project which will be game changing for the charity both in terms of reach into the world's premier financial centre but also in commercial possibilities as we seek to entice more people to attend our courses.

Elsewhere our partnerships help us to bring our brand of financial education to a wider audience. We yet again ran a very successful Weekend of Mistakes at Hay-on-Wye and we are working closely with our colleagues in Pune and Lausanne to ensure that our offering is more united across all our centres. We are finalising plans to open a library in Singapore next year in conjunction with the National Library of Singapore and we are working with partners in Mumbai where we hope to do the same in the next 18 months.

Report of the Trustees  
for the Year Ended 31 December 2025

**STRATEGIC REPORT**  
**Achievements and performance**

Courses

When we educate those working in financial services, we help ensure the sector is fit to serve the needs of its customers. We are hugely indebted to our team of lecturers who help the charity build commercial income to underwrite our activities. Our in-person financial history courses in London continue to be extremely popular although we believe that financial constraints across the sector mean that our students are now coming from a wider range of backgrounds. In particular we are seeing a number of high-net-worth individuals with a keen interest in finance attending. We are hopeful that the advent of a location in London will also allow us to run our courses at reduced cost.

Our online courses again have exceeded expectations in terms of audience, most notably due to a partnership with the well-known US podcast Hidden Forces. We have long felt that the partnership with Heriot Watt University has helped us establish ourselves in the online market, but we are seeking in years to come to launch our own platform where we can host a wider number of courses and engage in direct marketing ourselves with our potential audience.

Future Asset

The most successful companies and industries are ones that can access talent from across the broadest reach of society and that's why encouraging diversity in the finance sector is an important aspect of what we do. Our Future Asset programme is a leader in developing ways to bring more young women to work in the industry. Its showcase competition in 2025 yet again showed unbridled enthusiasm among the girls that take part and provided rewarding experiences for the 168 volunteer coaches and judges. More than 100 schools registered from 27 local authority areas, with 900 girls participating. The competition aims though not just to bring more girls into the finance sector but also to ensure they come from a wide range of backgrounds, and we were delighted that the senior school winning team in 2025 came not from one of our big cities but from Fortrose Academy in the Highlands.

The project is now very much focused on steering the young women who have been through its ranks into successful careers. Last year it held a number of events focused on the skills needed to successfully find work in the industry culminating in an Alumni Careers Insight Day at Edinburgh Napier University, which included a number of talks and workshops, a careers fair and a CV clinic. Our Future Asset team feel strongly that their responsibilities lie in guiding those girls who show an interest in finance into rewarding career paths and they're looking at a number of options over the next year to enhance this programme.

Leavers' Money Skills

While many people who know the Didasko charity will be aware of our ability to attract highflyers and personalities, the foundations of our activities are laid by LMS, who day-in-day-out go into schools to teach final year students the key skills they need in order to navigate an increasingly fraught and dangerous financial world. Children from the earliest stage are now exposed to enticing ways to part with their money, whether through gaming or buy-now-pay-later schemes. We strongly believe an in-person session with our experts that allows children to interact and ask questions without the intercession of authority figures such as parents or teachers is a vital resource for society in making sure those children become financially responsible adults.

As well as the hundreds of school visits made each year, including into schools in some of the most disadvantaged areas of the country, our team have been focusing on extending their work into younger age groups (S4 and S5) so as to make sure that early school leavers benefit from their insights as well. We are delighted that our fundraising team have managed to generate donations, including support from the Turtleton Trust, that will ensure the sustainability of this project and help take on more staff to ensure that we can reach even more young people, as well as embarking on a programme to reach those young people outside of an academic environment. Concurrent with work in schools, our team have made huge inroads in liaising with members of the Scottish Parliament to impress on them the importance of financial education for young people.

The Board

My sincere thanks this year must go to our previous chairman Tony Foster for bringing the charity to the level where it's at today. The board are extremely grateful to him for agreeing to stay on in a new role of treasurer, helping our CEO and the team manage the increasingly complicated financial aspects of running a larger charity. We are also extremely indebted to Felix Amoako-Kwarteng, who stepped down during the year, and also to our long serving trustee Sarah Whitley. Her help in establishing the Future Asset project as part of Didasko will be her ongoing legacy and many young women working in finance in the future will owe a great deal to the pioneering work put in by Sarah and the Future Asset team.

Report of the Trustees  
for the Year Ended 31 December 2025

## **STRATEGIC REPORT**

### **Achievements and performance**

Finally, I want to thank our team and stakeholders for their commitment to their roles and delivering on our charitable aims: David, Helen Bradley, Lauren, Catriona, Leonie, Jemma, Claire, Sofi and Helen Williams along with Russell and the rest of the board, our steering group personnel, our donors, volunteers, partners, supporters, contractors, readers, listeners and customers.

### **Financial review**

#### **Principal funding sources**

The company seeks to fund its charitable activities by charging the employed for its services. There are free places available to the unemployed. Should material profits be reported these may be disbursed to other charities.

#### **Reserves policy**

The Statement of Financial Activities on page 11 shows that the charity had net deficit of £23,405 (2024: net surplus of £41,328). This was made up of net deficit on the restricted fund of £51,221 (2024: net surplus of £8,958) and a net surplus on the unrestricted fund of £27,816 (2024: net surplus of £32,370). The total reserves held as at 31st December 2025 were £648,672 (2024: £672,077). This was made up of unrestricted funds of £192,199 (2024: £164,383) and restricted funds of £456,473 (2024: £507,694).

The charity has identified the level of reserves that are required for the ongoing operation of the charity. The level has been established in light of the main risks to which the charity is exposed. It is the charity's policy to endeavour to retain sufficient reserves to cover 3 months expenditure which is calculated to be £129,307 (2024: £127,831).

#### **Funds in deficit**

At the 31st December 2025 there were no funds in deficit (2024: none).

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The organisation is a charitable company limited by guarantee, incorporated on 24th December 2008. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

### **Recruitment and appointment of new trustees**

The directors of the company are also charity trustees for the purposes of charity law. The company regularly reviews the composition of its board to identify any skills gaps.

As noted above, there were four changes to the Board of Directors in 2025. I along with Julian Ide joined as Chairman and Vice-Chairman respectively. Felix Amoako-Kwarteng stepped down from his role as representative of founder shareholder, Baillie Gifford & Co., in December and Sarah Whitley retired from the Board in April 2025.

### **Organisational structure**

The Didasko Education Company Limited ("Didasko") is a company limited by guarantee. Didasko is a charity registered with the Office of Scottish Charity Regulator.

### **Induction and training of new trustees**

New directors joining the board are provided with an induction pack and given an appropriate briefing on their obligations under charity and company law, as well as the contents of the memorandum and articles of association. Directors are provided with a copy of the Office of Scottish Charity Regulator's (OSCR) 'Guidance for Charity Trustees' and all have received briefing sessions relating to their duties under the Charities and Trustee Investment (Scotland) Act 2005.

### **Related parties**

Details of related party transactions are given in note 18 to the financial statements.

## **FUNDS HELD AS CUSTODIAN FOR OTHERS**

During the year ended 31st December 2025 the charity did not hold funds as custodian for others (2024: none).

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees (who are also the directors of Didasko Education Company Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Report of the Trustees  
for the Year Ended 31 December 2025

**STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued**

Company law requires the trustees to prepare financial statements for each financial year. Under that law, the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**AUDITORS**

The auditors, Henry Brown & Co will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 12 AUGUST 2026 and signed on the board's behalf by:

.....  
Sir N K Skeoch - Trustee

Report of the Independent Auditors to the Trustees of  
Didasko Education Company Limited (Registered number: SC352872)

**Opinion**

We have audited the financial statements of Didasko Education Company Limited (the 'charitable company') for the year ended 31 December 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

Report of the Independent Auditors to the Trustees of  
Didasko Education Company Limited (Registered number: SC352872)

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Report of the Independent Auditors to the Trustees of  
Didasko Education Company Limited (Registered number: SC352872)

**Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- identifying, evaluating and complying with laws and regulations.
- whether they were aware of any instances of non-compliance.

As with all audits performed under ISAs (UK), all procedures were designed and performed in such a way as to take account of the overall control environment, management's attitude toward those controls and the ever present risk that controls may be overridden by management.

We obtained an understanding of the legal and regulatory frameworks in which the Charitable Company operates, focussing on those laws which had a direct effect on the material balances and disclosures in the Charitable Company's financial statements. Key laws & regulations considered in this context are:

- Companies Act 2006
- The Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102)
- Charities Accounts (Scotland) Regulations 2006

In addition, we considered other laws & regulations that do not have a direct effect on the financial statements, but compliance is necessary for the continued operations of the Charitable Company, or to avoid a material penalty. Laws & regulations considered in this context are:

- Employment law
- Health & safety regulations
- General Data Protection Regulations
- Anti Money Laundering Regulations

Our procedures to respond to the risks identified included the following:

- Reviewing the financial statement disclosures, and testing to supporting documentation.
- Enquiring of management concerning any actual or potential litigation or claims.
- Reviewing minutes of meetings of those charged with governance, and correspondence with HMRC and OSCR.
- Reviewing correspondence with the company solicitors, and receiving confirmation from same, in respect of any instances of noncompliance.

In the assessment of the risk of fraud through management override of controls, we have made enquiries of management on their assessment of the susceptibility of the financial statements to fraud (and any known, suspected, or alleged instances in the year), reviewed of large and unusual transactions, tested the appropriateness of journal entries, assessed whether the judgements made in the Charitable Company making accounting estimates are indicative of a potential management bias, and evaluated the business rationale of any significant transactions that are outside the normal course of business. In addition we carried out analytical procedures to identify unusual or unexpected relationships and designed and performed tests to identify undisclosed related party transactions.

In response to the presumed significant risk associated with the recognition of income we designed and performed tests, including the testing of income completeness and cut off.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

Report of the Independent Auditors to the Trustees of  
Didasko Education Company Limited (Registered number: SC352872)

**Use of our report**

This report is made solely to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2025.

The members have not deposited notice, pursuant to Section 476 of the Companies Act 2006 requiring an audit of these financial statements.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been audited under the requirements of Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005.

The financial statements were approved by the Board of Trustees and authorised for issue on 12<sup>th</sup> August 2026 and were signed on its behalf by:

## 1. ACCOUNTING POLICIES

### Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

### Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received or as soon as there is a legal or constructive obligation to receive the donation as a result of past events, and the amount to be received can be measured reliably.

Monies received by way of charitable activities are recognised on an accruals basis and credited to the restricted or unrestricted funds as appropriate.

### Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

### Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Patents & licenses are being amortised over their useful life of 10 years.

### Tangible fixed assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

|                          |   |             |
|--------------------------|---|-------------|
| Improvements to property | - | 10% on cost |
| Fixtures and fittings    | - | 20% on cost |
| Computer equipment       | - | 20% on cost |

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset were already of the age and in the condition expected at the end of its useful life.

### Impairment of assets

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

### Taxation

The charity is exempt from corporation tax on its charitable activities.

The charity is registered for value added tax (VAT) and income and expenses are shown net in the accounts where appropriate.

### Fund accounting

Income received is allocated to restricted or unrestricted funds as appropriate.

Restricted funds are funds which are to be used for a particular purpose as specified by the donor.

Didasko Education Company Limited

Notes to the Financial Statements - continued  
for the Year Ended 31 December 2025

**1. ACCOUNTING POLICIES - continued**

**Fund accounting**

Unrestricted funds are those funds with which the trustees are free to use for any purposes in furtherance of the charitable objectives.

**Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**Provisions**

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation.
