Trustees' Annual Report Year ended 31st. December 2025

The trustees present their annual report and financial statements of the charity for the year ended 31st December 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16th July 2014.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Activities of Dundee Law Parish Church - 2025

MINISTRY, WORSHIP AND NURTURE:

Our two Worship Centres offer weekly Sunday Services.

The Steeple Centre service starts at 10.30am whereas the Coldside Centre service starts at 11am. Around 50 to 70 people attend each Sunday morning at the Steeple Centre with approx. 30 – 40 people at the Coldside Centre.

As the congregation was in vacancy a nominating committee was appointed and this process led to the appointment of Rev Stuart Sharp (Minister A) and Rev Peter Kaela (Minister B) who were inducted as Ministers at Dundee Law Parish Church on 28th October 2025.

Prior to the induction of the two new Ministers, services at the Steeple Centre were led in the main by John McMillan (Locum) and those at the Coldside Centre were led by Rev Daniel Spencer up to the end of February 2025 and then by Rev Colin Dempster.

For our **young folk**, Sunday school groups meet during the service. University Students are actively welcomed to join worship and the congregation.

Both our locations continue to serve **tea and coffee** served after worship, providing opportunity for fellowship. During the early summer period a series of Sunday afternoon activities were organised offering a chance for people to meet informally.

Prayer life of the congregation continues on a regular basis on Sunday evenings via ZOOM during the winter period and in person during British Summer Time.

Our Pastoral Assistant stood down from the role in June 2024 and it was agreed that pastoral support would be provided by Elders and other members of the congregation as required until longer term arrangements could be made.

Pastoral support is provided by Elders and other members of the congregation as required. There was an organised outing in late autumn for our elderly members organised under Pastoral Care.

INTERIM MODERATOR

During the year we have worked with two Interim Moderators

Rev Liz Kay between 1st January 2025 to 13th February 2025

Rev Tim Podger between 14th February 2025 and 28th October 2025

Rev Stuart Sharp as Minister A was appointed as our Moderator with effect from 28th October 2025.

NOMINATING COMMITTEE

The Nominating Committee consisted of 11 members with representatives from both worship centres. The members were elected by the congregation on 2nd February 2025 to carry out the recruitment of two Ministers as per the Presbytery plan. Following the induction in October 2025 this group was closed.

MEMBERSHIP

On the 31st of December 2025 our membership stood at 213 members and we have 18 adherents in the congregation. This is down 10 from last year as a result of 9 deaths, 2 transfers out by certificate and 1 transfer in by certificate.

CITY CENTRE CHURCH GROUPING

During the year, meetings with other city centre churches in the city centre grouping were put on hold until the planned Union had taken place and new Ministers were appointed.

THE ACTIVITIES OF THE CHURCH DURING THE WEEK

The Parish Nursing Service remains at the Steeple Centre. It has its own Management Group, accountable to the Kirk Session of DLPC, and it is self-funding through grants and donations. The drop-in sessions continue twice weekly, with small groups and individual appointments through other days of the week. Most of those using the services have struggles with substance use and/or gambling. A Christian Counselling service also provides some individual sessions in the Steeple Centre for people who are engaging with recovery support through our team.

Our staffing comprises one full-time salaried Parish Nurse, one full-time salaried Recovery Support Worker and two part-time Volunteer Parish Nurses. All the Nurses are on the Nursing and Midwifery Council Register. All staff have professional indemnity insurance. We also have a number of volunteers, from various congregations and denominations as well as some from no church. Some of our volunteers are people who used to attend for support. All staff and Volunteers continue to be recruited according to C of S protocols. In 2025 Parish Nursing was invited to be part of a Scottish wide research project led by the University of Edinburgh. This enabled Parish Nursing to recruit a Researcher fully funded by the Phoenix Research project to recruit eligible participants in Dundee and carry out some basic health checks and then track all participants to deliver the Dundee part of this research project.

The Parish Nursing team continues to provide person-centred, whole-person care, demonstrating welcome, acceptance, respect and dignity for each person. In our safe space, food, friendship and connection are provided. Many people are also signposted to the many other services with whom we work closely, including NHS Health Inclusion team, NHS Dental mobile surgery, NHS Drug and Alcohol Recovery Service. People are also referred by their choice, to Dundee and Angus Food Bank, to the many food larders across the city,

Dundee Law Parish Church (Church of Scotland)

and to many other drop-in services and organisations as appropriate to their needs. In that we are helped by having the Dundee Recovery Road Map, developed by our team. Our F/T Parish Nurse is engaging in support work with women in the Dundee Community Custodial Centre (Bella Centre) once a week. Over the last year we have taken several undergraduate Nursing students for full-time placements, that have been very successful as their feedback is very encouraging. We have also had some Medical students on placement which have also been successful.

We continue to meet the **Marks of Mission** through;

- 1) Reaching out into our community with the Good News of the Gospel and the love of the Saviour
- 2) Nurturing new believers in recovery and for new life in Christ
- 3) Responding to the needs of very disadvantaged and stigmatised groups of people in our city
- 4) Challenging the injustices and inequalities of access to services that blight the lives of our fellow citizens.
- 5) Practising our work in ways that reduce harm to the environment, through working with our Church Eco-group.

CrossReach also run a weekly Café in our Coldside halls for those in recovery from addiction.

The congregation is a member of **ECO Congregation Scotland** and has been awarded the silver award by Eco Congregations Scotland. The eco group is active in promoting eco issues within our church and eco activities for church members and the wider congregation. The church is actively participating in the development at city centre eco-garden with other members of the city centre community including Dundee City Council, Hot Chocolate Trust and Scottish Water as part of working toward a submission for the Gold Eco-Congregation Award in the future. (The 5th Mark of mission to strive to safeguard the integrity of creation.).

Connections Café meets at The Steeple Centre. We collaborate with many other statutory and third sector agencies and members of other Dundee churches in our Connections Café, which is open every Monday morning and aims to offer friendship and support, particularly by offering support in mastering the English language, to those who have moved to Dundee from other parts of the world, especially those who are refugees and asylum seekers. The Café is staffed by volunteers from the congregation and beyond and over recent months has welcomed guests from 17 nationalities.

‘Café Coldside’, run by members of the congregation, opens on a weekly basis to provide a nutritious lunch in a warm and welcoming environment to anyone from the community who wishes to attend. On average 25-30 guests are shown love and hospitality each week.

Hot Chocolate Trust, which was originally set up by the Steeple Church, uses a part of the building for youth work and is a highly respected youth outreach project. Two elders serve on the Board. The congregation support them by allowing them the use of part of the building. This was agreed by the General Trustees and by Dundee presbytery, consent being given for them to use these premises for a ten year period. Their work is based on their core values, which include: viewing young people as whole people, supporting their holistic development which realises physical, mental, emotional, social and spiritual potential; growing a community with young people which is safe, welcoming and affirming to all; and building relationships based on respect and trust, relationships which are voluntary and two-way. The Hot Chocolate Team is keen to work alongside us in The Steeple and offers an open invitation to Steeple members to attend their annual open evening.

Dundee Law Parish Church (Church of Scotland)

House groups. The church has 3 groups with 1 group meeting in the church during the day. The other groups meet in an evening both in person and on ZOOM according to the wished of participants.

A Craft Group meets together regularly and make cards and other produce, which are then sold to help raise funds for congregational and other causes.

A Men's group has continued to meet on a Thursday morning, providing fellowship for those who attend.

In addition to the congregation activities, we have a hall lets group that oversees the letting out of our Steeple Centre premises. Groups that use this building regularly include the Parkinson's group, Headway charity and the Pain Association. People attend these groups from around Tayside and Angus area. Many of those attending are members of other Church of Scotland congregations. Our Coldside Centre is also used by external organisations including Scouts. The Coldside sanctuary is also used every Sunday afternoon by the Dundee branch of the Nigerian Pentecostal 'Deeper Life Bible Church'.

World Mission activity has included actively supporting individuals and organisations working in Pakistan, Nepal, Uganda and on Mercy Ships both through both prayer and financial support. In addition we have longstanding links with Blythswood Care (annual Shoebox appeal), Christian Aid, Tearfund, Vine Trust and Embrace the Middle East.

Achievements and Performance

The appointment of our two new Minsters in October 2025 is a significant step forward in the development of our congregation and outreach work as we expect to see wider connections with our parish community as well as different styles of worship and growth in our congregation.

Financial Review

The principal source of income in 2025 has been givings from the congregation. This has been the first full accounting year of the united Church so it is difficult to make direct comparisons with previous years. However, it is noted that there was an increase spend on building maintenance including costs at the two manses. It has been agreed to assess financial viability in 2026 with a full review of income and expenditure. From 2024, the open plate increased by 54%, and an increase of 23% to the freewill. The gift aid, excluding any special projects, saw an increase of almost 6%. This gave a combined increase of just below 10% at the year end.

The revenue from building lettings has also increased from 2024 and helped to offset any deficit.

Investment Policy

It is the policy of the trustees to invest the charity's endowment funds in ethical companies with a view to maximizing income over the medium-term. Funds are currently invested in the Church of Scotland Investor Trust's Income and Growth Funds, which satisfies these criteria and the performance of which is kept under regular review.

Dundee Law Parish Church (Church of Scotland)

Risk Management

The focus is now on maintaining the building to a satisfactory standard while closely monitoring costs in comparison with expenditure.

In order to more accurately identify future costs, we have in place a schedule of proposed life cycle replacements and we intend to set aside funding for this work when it becomes possible. This has been extended to cover all the buildings of Dundee Law Parish Church.

Reserves Policy

The charity trustees have considered the reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of approximately six months expenditure including designated funds. At the year end the Church held unrestricted funds of £867,970 of which £655,217 had been designated for various funds. The remaining balance of £212,753, satisfies the reserves policy. The Trustees are aware of the possible need to fund further maintenance work at the churches, including repairs, and may use the additional reserves for these purposes.

The church also held £216,388 of restricted funds which have been provided for the purposes specified in Note 15.

There were also endowment funds of £5,491 held by the Church as detailed in Note 15.

Property Management

Dundee Law Parish Church was required to have two manses available for the appointment of new Ministers and as a result the tenant in the former Coldside manse was given 3 months notice to quit in January. Work was carried out over the summer months to ensure that the manse met the standards required for the appointment of the new Ministers.

The purchase of the second new build manse was completed in September 2025.

Both manses were approved by Presbytery Property Committee in September 2025 enabling the new Ministers to move in shortly before their induction in late October.

The Worship Centre buildings have a maintenance plan to help minimise the need for significant repairs and our Property Team Leader ensures that maintenance and required repairs are carried out when needed.

Structure, Governance and Management

The congregation is a registered charity, number SC014314, and is administered in accordance with the terms of the Unitary Constitution and is subject to the Acts and Regulations of the General Assembly of the Church of Scotland.

All Members of the Kirk Session are the charity trustees. The Kirk Session members are the Elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The ministers, who are members of the Kirk Session, are elected by the congregation and inducted by Presbytery.

During the 2025 year, Interim Moderators were appointed by Presbytery to oversee the running of the Kirk Session business. The names of the Interim Moderators are noted on page 7 as they are also Trustees during the period of their appointment.

Dundee Law Parish Church is required to operate with the Unitary Constitution

It is usual to have 4-6 meetings per year of the Kirk Session, however in 2025 we have met 8 times to facilitate the Union and then enable appropriate ways of working to be set up for the new congregation.

Trustees' Annual Report (continued)
Year ended 31st. December 2025

Trustees' Responsibility in Relation to the Financial Statements

The Charity Trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statement for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the method and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in its operations.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) regulations 2006 (as amended) and the Deed of Constitution. They are also responsible for safeguarding the assets of the charity and hence for taking responsible steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Dundee Law Parish Church (Church of Scotland)

Auditor's Report to the Trustees of Dundee Law Parish Church, for the Year ended 31 December 2025.

I report on the accounts of the charity for the year ended 31st. December 2025 which are set out on pages 10 to 28.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Auditor's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Auditor's statement

In the course of my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**Notes forming part of the financial statements
For the year ended 31st. December 2025**

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities : Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) issued on 16th July 2014 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities accounts (Scotland) Regulations 2006 (as amended) .

Incoming resources

Income is recognised when the charity has the entitlement to funds, any performance conditions attached to the item of income has been met, it is probable that the income will be received and the amount can be measured reliably.

Donations, are recognised when the Church has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following confirmation when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Fund accounting

Funds are classified as restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market ; a corresponding amount is then recognised as expenditure in the period of receipt.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity ; this is normally upon notification of the interest paid or payable by the Bank.

Fixed Assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Worship Centres and halls, vested in the Church of Scotland General Trustees. One manse was owned by the congregation at the start of the accounting period and a second manse was purchased during the year. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

All tangible fixed assets having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. Depreciation is provided on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives:

Office equipment : 5 years

Fixtures and fittings: 10 years

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

Dundee Law Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

14 Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contributions made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
