Achievements and performance

Summary of the main achievements of the charity during the financial period

Village Xmas Concert
Airdrie High Church Concert
Songs of Praise Concert in village
Star Concert local event
Local retired member club concert in village

All of these concerts required our conductor to arrange new music which provided ongoing stretching targets for our member to aim towards.

The orchestra is still collaborating with another local flute ensemble in an effort to encourage continued musical participation, and to perform at events jointly with that same aim. This is proving very successful as multiple joint concerts have been performed and great camaraderie between our two groups has developed.

The Orchestra celebrated its 90th Anniversary and had a well attended event.

The Orchestra continues to provide a service to the immediate local community and is an integral part of that community, which is defined as an area of social deprivation by the Scottish Government.

Financial review

Brief statement of the charity's policy on reserves

The Orchestra's constitution requires the trustees to work towards maintaining a reserve of funds equivalent to two years basic running costs. That goal was achieved over this financial year with £13368 held in our reserves, and an annual running cost of £6412 per annum.
Increased heating expense due to faulty boiler timer is not expected going forward.

Details of any deficit

N/A

Donated facilities and services (if any)

The Orchestra continues to benefit from the services of its conductor who provides his tuition and direction free of charge. The orchestra also benefits from the use of telephone and internet facilities as well as time donated free of charge by its Treasurer, Secretary, Asst Secretary and Committee members
