

Leadhills SCIO End of Year Statement

Name: Leadhills Village SCIO

Charity Number: SC053999

Trustees: Leah Wise, Carsten Kressel, Robert Campbell

Summary of Activities

Progress, albeit limited, was made in establishing contact with suitable architects and developing broad initial plans at nil cost. Further progress was hampered by the untimely death of the chairperson, which meant that succession planning and re-establishment of contact with partner organisations took precedence.

The SCIO endeavors to continue with the projects we have set out. We are continuing to recruit new members, volunteers and are holding our AGM on 27.09.26 to maintain transparency and public connections.

Financial Review

No bank account is active for the SCIO and therefore a financial review is not applicable.
