## TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) FOR THE YEAR ENDED 31 DECEMBER 2025

---

The Trustees present their annual report and financial statements for the year ended 31 December 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's trust deed, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

### **Objectives and activities**

The main objectives and activities of the charity in the period under review was that of research, prevention and treatment by the relief of sickness amongst personal suffering from cardiovascular diseases and the advancement of education of the general public and medical professionals in the subject of cardiovascular diseases.

There objectives are to be achieved by the trustees seeking donations for the trust, providing grant funding to various medical research projects for the prevention and cure of cardiovascular diseases, continued support to various professors and doctors in their holding of seminars and trust promotional activities either in the U.K. or abroad

### *Public benefit*

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

### **Achievements and performance**

#### *Significant activities and achievements against objectives*

Due to diminishing reserves within the charity no grant payments were made during the year.

The trustee's elected not to make any further payments until the issues relating to income generation could be adequately addressed, allowing the trust to once again start making research grant payments.

### **Financial review**

The charity has generated a surplus of £2,122. This is due to the charity having received interest from their CCLA investment account which has now been closed.

As a result the charity has unrestricted funds of £24,149 and restricted funds of £24,362 as at 31 December 2025.

### *Reserves policy*

It is the policy of the charity to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration costs. However the charity remains in a transition period, unrestricted will be maintained at current levels with the deduction of governance costs for the time being.

Following the death of Dr. Peter Stub's, money, which had been held for him under the FOCAL, has been designated as the Peter Stub's Memorial Research Fund (Restricted fund 'B'). This fund has been directed towards the development of Thromboses.

### *Investment policy*

The charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have therefore chosen a selection of investment funds designed to both protect the capital of the trust and to earn a reasonable rate of interest. Investments will be reviewed regularly by the trustees.

# THE CORONARY THROMBOSIS TRUST

## TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2025

---

### *Major risks*

#### **Risk assessment**

The Trustees has assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The trustees actively review the major risks which the charity faces on a regular basis and believe that the current level of reserves, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

#### **Structure, governance and management**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Dr P R Belcher

Dr T Y Huehns

Mr P R Brown

(Deceased 1 May 2025)

### *Recruitment and appointment of trustees*

Appointment of trustees is governed by the Trust Deed. The Trustees' are authorised to appoint new trustees to fill such vacancies arising through resignation or death of an existing trustee. None of the Trustees has any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

### *Organisational structure*

The policy of the trust continues to be the raising of funds to meet the objectives. The trustees meet regularly to its manage its affairs and are all involved in seeking to obtain donations, while the company secretary manages the day to day running of the charity.

### *Induction and training of trustees*

Where trustees require training for their particular post, such training is provided by the current board of Trustees.

The Trustees report was approved by the Board of Trustees.

Dr P R Belcher

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE CORONARY THROMBOSIS TRUST

---

I report to the Trustees on my examination of the financial statements of The Coronary Thrombosis Trust (the Charity) for the year ended 31 December 2025.

#### **Responsibilities and basis of report**

As the Trustees of the Charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. You are satisfied that the financial statements of the Charity are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the Charity's financial statements carried out under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and section 145 of the Charities Act 2011. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 and the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

#### **Independent examiner's statement**

Since the Charity has prepared its financial statements on an accruals basis and is also registered in Scotland, or the Charity's gross income exceeded £250,000, the independent examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 and section 145 of the Charities Act 2011. I confirm that I am qualified to undertake the examination because I am a member of Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005, Regulation 4 of the Charities Accounts (Scotland) Regulations 2006 and section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006 and the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 December 2025.

The director acknowledges her responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the Trustees on 14 September 2026

Dr P R Belcher

# THE CORONARY THROMBOSIS TRUST

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 31 DECEMBER 2025**

---

### **1 Accounting policies**

#### **Charity information**

The Coronary Thrombosis Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is 6 Ernest Street, Cheadle, Cheshire, SK8 1PN.

#### **1.1 Basis of preparation**

The financial statements have been prepared in accordance with the Charity's trust deed, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

#### **1.4 Income**

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

# THE CORONARY THROMBOSIS TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2025

---

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.7 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

#### 1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2025

### 2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Following the death of Dr. Peter Stub's, money, which had been held for him under the FOCAL, has been designated as the Peter Stub's Memorial Research Fund (Restricted fund 'B'). This fund has been directed towards the development of Thromboses.

### 13 Unrestricted funds

The unrestricted funds of the charity comprise the unexpended balances of donations and grants which are not subject to specific conditions by donors and grantors as to how they may be used. These include designated funds which have been set aside out of unrestricted funds by the trustees for specific purposes.
