GLASGOW FOUNDRY BOYS

ANNUAL TRUSTEES REPORT 2025

2025 was another of progress as the ministry celebrated its 160th anniversary. Special events were held to mark the anniversary.

The church continued its purpose and mission of ministry in and to the community, principally through our long-standing Sunday morning services.

The premises were also used by other church groups, which is very important to our vision of being an active centre of Christian ministry in the city of Glasgow.

The church continues to be pastored by our Pastor Bill McMurdo.

Cosmetic improvements were made in the building. Also, the church continued to provide a library resource thanks to generous donations from a well-known Christian bookseller.

The church gratefully received the donation of a van to help transportation.

Our members and friends continue to donate things like teabags, coffee and cleaning materials, which allows us to keep expenses down.

The Foundry Boys approaches the future with confidence that the charity still has a vital role to play in the community and looking forward to celebrating 160 years of the Foundry Boys.

Signed on behalf of the trustees:
