7. To establish and/or support any other charitable body and to make donations for any charitable purpose falling within these objects. The Trust will also continue to allocate grants in favour of Jewish Education, within these objects, from its general unrestricted funds so that the existence of the Education Fund will not reduce allocations from the general unrestricted funds.
8. To accept grants, donations and legacies of all kinds (and to accept any reasonable conditions attaching to them in accordance with the above objects).
9. To invest any funds which are not immediately required for the above activities in such investments as may be considered appropriate (and to dispose of and vary such investments).

Grant-making policy

The Trustees will consider applications for grants from charitable organisations whose work qualifies within the Trust's principal activities as detailed above.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year, the Trust continued to support a number of communal charitable organisations in pursuit of its activities. The Trustees are satisfied with the benefits this support has brought.

FINANCIAL REVIEW

Review of the financial position and activities of the Trust

The Trust's incoming resources for the year increased to £1,592,088 (2024 - £160,995) because of a large one-off donation received on the cessation of another communal charity. Resources expended in the year amounted to £263,670 (2024 - £234,375) which included increased charitable donations of £207,640 (2024 - £181,775).

Net gains on investments totalled £343,241 (2024 - £464,121) as a result of investment market movements during 2025.

Total reserves at 31 December 2025 amounted to £7,987,603 (2024 - £6,315,944). Of this, restricted funds amount to £2,665,471 (2024 - £1,299,837) and unrestricted funds amount to £5,322,132 (2024 - £5,016,107). Free reserves amount to £95,579 at 31 December 2025 (2024 - £57,077).

Reserves policy and going concern

It is the policy of the Trustees to tailor the Trust's reserves to provide income to meet its annual grant commitments. The Trustees regularly review the investment portfolio and bank deposits with the Trust's professional advisers.

The Trustees have considered the financial outlook for the Trust, having taken account of the investment markets and have determined that the Trust should be able to operate within its existing cash resources and cashflow from future activities. The Trustees, therefore, have a reasonable expectation that the Trust has adequate financial resources to continue in operational existence for the foreseeable future. For these reasons, they continue to adopt the going concern basis in preparing the financial statements.

GLASGOW JEWISH COMMUNITY TRUST

TRUSTEES ANNUAL REPORT (*Continued*)

Investment policy

The funds of the Trust are invested in a wide portfolio of quoted investments with the aim of generating investment income as well as capital growth.

The Trustees receive regular reports from the investment managers to review the risks and returns. The Board is satisfied with the performance of the portfolio.

Risk management

The Trustees have a duty to identify and review the risks to which the Trust is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The principal risk identified by the Trustees is a potential reduction in the fair value of its investment portfolio due to market conditions outwith the Trust's control. The Trust has contracted with external investment advisers with discretionary management agreements in place and the Trustees are satisfied that this mitigates the risk as far as is possible.

External scrutiny

The Trust is required to have its financial statements for this year audited under charity law. The Hansen Company Scotland Ltd had been formally appointed as Independent Examiner but are unable to carry out the audit. The audit was carried out by Azets Audit Services.

FUTURE PLANS

The activities of the Trust are not expected to change and it will continue to support a number of charitable organisations for the foreseeable future.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Trust was established by Trust Deed and registered on 3 July 1963. The Trust is a charity and is recognised as such by OSCR and HM Revenue & Customs. As a result, there is no liability to taxation on any of its income.

Organisational structure

The Trust has a Board of Trustees which meets three times during the year to discuss communal issues, grant applications, Trust finances and other matters.

The Board has a Chair and a Vice-chair. The day-to-day responsibility for the administration of the Trust's affairs rests with the Secretary and maintaining the Trust's financial records rests with the Treasurer. These four roles are appointed every 3 years along with any Honorary Presidents.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 and the provisions of the charity's constitution requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to Disclosure of Information to Auditors

So far as the Trustees are aware, there is no relevant audit information of which the Trust's auditors are unaware, and each Trustee has taken all the steps that he or she ought to have taken as a Trustee in order to make themselves aware of any relevant audit information and to establish that the Trust's auditors are aware of that information.

Approved by order of the Board of Trustees on 6 July 2026 and signed on its behalf by:

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF GLASGOW JEWISH COMMUNITY TRUST

Opinion

We have audited the financial statements of Glasgow Jewish Community Trust (the 'charity') for the year ended 31 December 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF GLASGOW JEWISH COMMUNITY TRUST (cont)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above and on the Financial Reporting Council's website, to detect material misstatements in respect of irregularities, including fraud.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF GLASGOW JEWISH COMMUNITY TRUST (cont)

We obtain and update our understanding of the entity, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the entity is complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we designed procedures which included:

- Enquiry of management and those charged with governance around actual and potential litigation and claims as well as actual, suspected and alleged fraud
- Reviewing minutes of meetings of those charged with governance;
- Assessing the extent of compliance with the laws and regulations considered to have a direct material effect on the the financial statements or the operations of the company through enquiry and inspection;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management bias and override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for indicators of potential bias

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Other matters

The comparative figures were not audited. Our opinion is not qualified in this respect.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
GLASGOW JEWISH COMMUNITY TRUST (cont)**

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

GLASGOW JEWISH COMMUNITY TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2025

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Trust, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements are presented in Sterling (£).

Going concern

The financial statements have been prepared on a going concern basis, which the trustees believe to be appropriate for the reasons set out in the Report of the Trustees.

Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts, when applicable, are shown within borrowings in current liabilities.

Income

All income is recognised in the Statement of Financial Activities once the Trust has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

GLASGOW JEWISH COMMUNITY TRUST

NOTES TO THE FINANCIAL STATEMENTS (*Continued*) FOR THE YEAR ENDED 31 DECEMBER 2025

Allocation and apportionment of costs

Support costs are those functions that assist the work of the Trust but do not directly undertake charitable activities. Support costs include back office costs, finance and governance costs which support the Trust's programmes and activities. These costs have been allocated to expenditure on charitable activities.

Taxation

The Trust has been granted charitable status by HMRC and as a result no liability to income tax arises on its charitable activities.

Investment properties

The Trust's investment properties are held for long-term investment. Investment properties are accounted for as follows:-

- (i) Investment properties are initially recognised at cost which includes purchase cost and any directly attributable expenditure.
- (ii) Investment properties whose fair value can be measured reliably are measured at fair value. The surplus or deficit on revaluation is recognised in the Statement of Financial Activities and accumulated in reserves, unless a deficit below original cost, or its reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the Statement of Financial Activities for the year.

Investment assets and income

Investments are initially recognised at cost then subsequently at fair value, being the quoted market value. Realised gains and losses (representing the difference between sale proceeds and fair value at the previous financial year end or purchase cost if acquired during the financial year) and unrealised gains and losses (representing the movement in the fair value of investments over the financial year or from their date of purchase if acquired during the financial year) are recognised in the Statement of Financial Activities.

Dividends and interest income are included as investment income when the Trust has entitlement to and has received the funds. Both dividend and interest income are included gross of applicable tax credits.

Fund accounting

Unrestricted Funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted Funds can only be used for particular restricted purposes within the objects of the Trust. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

GLASGOW JEWISH COMMUNITY TRUST

NOTES TO THE FINANCIAL STATEMENTS (*Continued*) FOR THE YEAR ENDED 31 DECEMBER 2025

Fund accounting (continued)

Further explanation of the nature and purpose of each Fund is included in the notes to the financial statements.

Financial instruments

The Trust enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like other accounts receivable and payable and loans to third parties. Debt instruments like loans and other accounts receivable and payable are initially measured at present value of the future payments and subsequently at the undiscounted amount of cash or other consideration expected to be paid or received.

Financial assets measured at cost and amortised cost are assessed at the end of each reporting period for evidence of impairment and if found, an impairment loss is recognised in profit or loss.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

Creditors and provisions

Creditors and provisions are recognised when the Trust has a legal or constructive obligation at the reporting date as a result of a past event, it is probable that the charity will be required to settle the obligation and the amount of the obligation can be reliably estimated. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due. Provisions are recognised at the best estimate of the amount required to settle the obligation at the reporting date.

Judgements

The Trust considers on an annual basis the judgements that are made by management when applying its significant accounting policies that would have the most significant effect on amounts that are recognised in the financial statements. The Trustees consider there are no such significant judgements.

Information and key sources of estimation uncertainty

In the application of the Trust's accounting policies, the Trustees are required to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

The Trust does not have any key assumptions concerning the future, or other key sources of estimation uncertainty in the reporting year that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, other than the carrying value of a residential property (as per Note 9).
