

Bellshill Boys Club and Community Centre
Trustees Annual Report
Year ending 31 March 2026

Objectives and Activities

The main objective of the Community Centre is to provide a base from which local groups and organisations can use to support the local community. All members of the community can use the hall for a variety of activities which are reasonably priced.

We have a dancing class which use the hall four times a week. It is well attended.

We have a toddler group which use the hall 2 mornings a week. It is a parent and toddler group which supports children from birth till 4 years old. A range of activities are available for the children and parents and guardians can meet other parents to socialise and be of support to each other.

The hall is available for hire to members of the community for children birthday parties, first communions, Etc. Hiring charges are set at a reasonable rate making it affordable to members of the community.

Achievements

The centre has managed to stay open for all the groups despite the rising costs of utilities.

We will continue to use the hall for the benefit of all the members of the community. We will strive to do our best and continue to support the groups that use the hall.

We will continue to make the local community aware of the activities that are available to them and promote the centre through social media and advertising.
