

Governing Document

The Charity is a SCIO (Scottish Charitable Incorporated Organisation) Number 5CA47728 and is administered in accordance with its Constitution.

Recruitment and appointment of Trustees

Charity Trustees are appointed at the AGM each year. Trustees are chosen from members and those who have volunteered to assist the charity and who are considered to have appropriate interest, abilities and skills to assist in the organisation and running of the charity activities.

During the course of the year three trustees resigned, Karin Greevy, Des Greevy and James Harley. The Tryst is indebted for their service over many years.

Objects and Activities

The charity exists to:

To provide an open, inclusive & friendly walking festival, in upper Strathearn and Perthshire, which incorporates and promotes a number of leisure activities including walking, mountain biking, historical, educational and social events and also celebrates the long history of cattle droving;

To enhance public awareness and to promote interest in the upper Strathearn area as a walking, outdoors leisure and historic destination, particularly in relation to the droving history and historical heritage of Crieff;

To bring together and train and engage a team of volunteers and supporters with a broad range of skills and experience, to organise and help run the Tryst.

Achievements and Performance

The Trustees went ahead with an ambitious 4 day event in May 2025. This was very successful with over 150 walkers participating.

We also ran First Aid and Navigation training events during the course of 2025.
