Risk Management

The Trustees have considered the major risks to which the Charity is exposed and have reviewed those risks and established and implemented a number of systems and procedures to manage those risks.

Statement of Trustees' Responsibilities.

The Trustees are responsible for keeping proper accounting records which, on request, must reflect the financial position of the Charity at that time.
This is done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006.
The Trustees are also responsible for safeguarding the assets of the charity and must take reasonable steps for the prevention and/or detection of fraud or other irregularities.
