IAN MACTAGGART CHARITABLE TRUST
(A Charitable Company Limited by Guarantee)

DIRECTORS' REPORT

FOR THE YEAR ENDED 30 APRIL 2025

The Directors, (who are also Trustees for the purposes of Charities Legislation), present their report together with the audited financial statements of Ian Mactaggart Charitable Trust (the Company) for the year ended 30 April 2025. The Directors confirm that the report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and the Republic of Ireland (FRS 102) (2nd Edition effective 1 January 2019).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Company, which is a recognised charity in Scotland, is now registered as a Charitable Company Limited by Guarantee. It was previously a Charitable Trust set up by a Trust Deed in 1984.

Following the 2010 Annual General Meeting of the unincorporated Trust, the Directors decided to follow suit with many other trading charities and voted to change the legal status of Ian Mactaggart Charitable Trust from Charitable Trust to a Charitable Company Limited by Guarantee. This change limits the personal liability of each Director to meet any loss incurred by the Company and has been approved by the Office of the Scottish Charity Regulator. The new legal status took effect on 1 May 2011. The name of Ian Mactaggart Charitable Trust remains the same for this newly incorporated company and all assets and liabilities were passed from the old Charitable Trust to this Company by Deed of Assignment on that date.

Method of appointment or election of Directors

The management of the company is the responsibility of the Directors who are elected and co-opted under the terms of the Trust deed.

The Directors are drawn from persons of suitable professional qualification or business acumen who are deemed suitable to administer the assets and the running of the Company.

Policies adopted for the induction and training of Directors

The Directors will over a period review the knowledge base of the Directors and if necessary, obtain training for the Directors where appropriate.

Organisational structure and decision making

The Directors meet formally on a regular basis to review the affairs of the Company under the control of a chairperson. There are individual sub committees responsible for the detailed management of investments, property holdings and management.

Related party relationships

Certain Directors have beneficial and non-beneficial interests in Western Heritable Limited who provide investment management and administration services to the Company.

Some of the directors of Ian Mactaggart Charitable Trust (IMT) are also directors of the Mactaggart Third Fund. Whilst the Directors overlap between the two charities, Mactaggart Third Fund do not exercise control over Ian Mactaggart Charitable Trust.

Risk management

The Directors have examined the major business and operational risks which the Company faces, especially in the investment in properties, leases and investments and the raising of finance in connection therewith and have established systems to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

IAN MACTAGGART CHARITABLE TRUST
(A Charitable Company Limited by Guarantee)

DIRECTORS' REPORT (continued)

FOR THE YEAR ENDED 30 APRIL 2025

Policies and objectives

The objectives of the Company are to distribute funds by way of charitable donations to suitable charities in the United Kingdom and abroad. The Directors have decided to take a proactive approach to their grant-making. Their present policy is to make grants to those charities whose aims they support and who they believe have demonstrated excellence in their achievements.

The Company takes a prudent approach to the award of grants each year out of its available resources.

Grant making policies

Individual Directors nominate suitable charities meeting with the policies noted above and these are debated by the Directors before being accepted for award.

Going concern

After making appropriate enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Review of activities

The total funds of the group have decreased by £1,429,114 over the year to £16,167,568, with income increasing from £1,420,730, to £1,588,406, and expenditure decreasing from £1,230,308, to £1,217,268. All of the funds held, at the Balance sheet date, are unrestricted general funds.

Investment policy and performance

Investment policy is closely monitored, and decisions are based on the experience of the Directors and where necessary third-party professional advice.

The Directors plan to continue, by prudent investment, to increase the net worth of the Company so generating more disposable income for the furtherance of grant making activities.

Reserves policy

The group had total unrestricted funds of £16,167,568 at 30 April 2025 (2024: £17,596,682). It is the policy of the Company that unrestricted funds which have not been designated for a specific use should be retained. The directors consider that reserves held at their current level are sufficient to ensure that they will be able to continue the Company's current activities.

Principal funding

Funding for the activities of the Company has been derived solely from the income and capital gains generated on the assets of the Company.

IAN MACTAGGART CHARITABLE TRUST
(A Charitable Company Limited by Guarantee)

DIRECTORS' REPORT (continued)

FOR THE YEAR ENDED 30 APRIL 2025

Events since the end of the year

There have been no significant events since the year end.

DIRECTORS' STATEMENT OF RESPONSIBILITIES

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and the group and of the income and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements the Directors are required to:

- select suitable accounting policies and apply them consistently
- observe methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue in operation.

The Directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITOR

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- as far as that Director is aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- that the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any information needed by the charitable company's auditors in connection with preparing their report and to establish that the charitable company's auditors are aware of that information.

In preparing the Report of the Directors the Directors have taken advantage of the exemptions available to small companies. This report was approved by the Directors and signed on their behalf by:

Sir John Mactaggart

Date: 19 July 2025

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS AND MEMBERS OF IAN MACTAGGART CHARITABLE TRUST

Opinion

We have audited the financial statements of Ian Mactaggart Charitable Trust for the year ended 30 April 2025 which comprise the Consolidated and Parent Statement of Financial Activities, the Group and Parent Charitable Company Balance Sheets, the Consolidated Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and of the parent charitable company's affairs as at 30 April 2025 and of the groups and parent charitable company's net movement in funds, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Directors' Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charity Accounts (Scotland) Regulations (as amended) require us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charitable company; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS AND MEMBERS OF IAN MACTAGGART CHARITABLE TRUST

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the groups and the parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the group and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to compliance with the requirements of the Office of the Scottish Charity Regulator, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Companies Act 2006 and the Charities Act 2011.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to the posting of inappropriate journal entries or the manipulation of accounting estimates. Audit procedures performed by the engagement team included:

- Inspecting correspondence with regulators and tax authorities;
- Discussions with management including consideration of known or suspected instances of non-compliance with laws, regulation, and fraud;
- Assessment of fraud risk factors;
- Performing analytical procedures to identify any unusual or unexpected relationships, including related party transactions, which may indicate risks of material misstatement due to fraud;
- Confirmation of related parties with management, and review of transactions throughout the period to identify any previously undisclosed transactions with related parties outside the normal course of business;
- Reading minutes of meetings of those charged with governance;
- Evaluating management's controls designed to prevent and detect irregularities;
- Review of significant and unusual transactions;
- identifying and testing journal entries, in particular any manual entries made at the year-end for financial statement preparation; and
- Challenging assumptions and judgements made by management in their critical accounting estimates.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS AND MEMBERS OF IAN MACTAGGART CHARITABLE TRUST

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

IAN MACTAGGART CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2025

1. ACCOUNTING POLICIES

General information

Ian Mactaggart Charitable Trust is a charitable company registered in Scotland. The registered office is DLA Piper Scotland LLP, Collins House, Rutland Square, Edinburgh. The principal activities of the Company are set out in the Trustees Report, in page 3 of these financial statements.

Basis of preparation

The financial statements have been prepared in accordance with the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (2nd Edition effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The company meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are presented in UK sterling, which is the Company's functional currency, and are rounded to the nearest pound.

Preparation of accounts on a going concern basis

The directors consider there are no material uncertainties about the company's ability to continue as a going concern. The review of our financial position, reserves levels and future plans gives directors confidence the company remains a going concern for the foreseeable future.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the accounting policies, directors are required to make judgement, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods.

Judgements made by the directors in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are deemed to be in relation to the valuation of investment properties.

In the view of the directors, no assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

Company status

The Company is a Charitable Company Limited by Guarantee. The members of the Company are the Directors named on page 1. In the event of the Company being wound up, the liability in respect of the guarantee is limited to £1 per member of the Company.

IAN MACTAGGART CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 30 APRIL 2025

1. ACCOUNTING POLICIES (continued)

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Directors in furtherance of the general objectives of the company and which have not been designated for other purposes.

Income

Income included in the Statement of Financial Activities when the company is legally entitled to the income, there is probability of receipt, and the amount can be quantified with reasonable accuracy.

Expenditure

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Costs of raising funds are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the company. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are, noted as a commitment, but not accrued as expenditure.

Investments

Investments are a form of basic financial instruments and are initially shown in the financial statements at market value. Movements in the market values of investments are shown as unrealised gains and losses in the Statement of Financial Activities.

Profits and losses on the realisation of investments are shown as realised gains and losses in the Statement of Financial Activities. Realised gains and losses on investments are calculated between sales proceeds and their opening carrying values or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Where a market value is not readily available, investments are held at cost less impairment.

Investment properties

Investment properties are carried at fair value determined annually by directors and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in nature, location or condition of the specific asset. No depreciation is provided. Change in fair value is recognised in the Profit and Loss Account.

Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments.

Creditors and provisions

Creditors and provisions are recognised where the company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

IAN MACTAGGART CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 30 APRIL 2025

1. ACCOUNTING POLICIES (continued)

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rates ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of Financial Activities.

Financial instruments

The Company only has financial assets and financial liabilities of the kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

5. INVESTMENT PROPERTIES - FREEHOLD

	Freehold investment properties £
Group	
At 1 May 2024 and	12,716,337
Revaluation loss	<u>(646,338)</u>
at 30 April 2025	<u>12,069,999</u>
	Total
	£
Charity	
At 1 May 2024 and	7,896,337
Revaluation loss	<u>(646,338)</u>
at 30 April 2025	<u>7,249,999</u>

The properties are held at market value of £12,069,999 as at 30 April 2025. The market value has been determined by the directors, on an open market value for existing use basis. The directors have assessed the market value of the investment properties at 30 April 2025 and have based their valuation on a number of assumptions including future rental income and comparisons for sales in the locality. The freehold properties held by the Charity are owned equally by Mactaggart Third Fund and Ian Mactaggart Charitable Trust. The above valuation represents the Charity's 50% share of the market value.

5a. INVESTMENT PROPERTY - LEASEHOLD

	Leasehold investment property £
Group & Charity	
At 1 May 2024	50,962
Depreciation	<u>(8,273)</u>
At 30 April 2025	<u>42,689</u>

The leasehold property, which is owned equally by Mactaggart Third Fund and Ian Mactaggart Charitable Trust is stated at cost less depreciation. The value represents the group's 50% share of the cost less depreciation figure.
