LAND AND DELIVER SC052680

I report to the trustees on my examination of the accounts of the above charity ("the trust") for the year ended 31/03/2026.

This charity has not yet been in operation since being set up. This results in a zero balance for income and expenditure as no payments received or made.

A photograph of a handwritten signature in brown ink on a piece of lined paper. The signature reads "S. Maclaren" in a cursive script.
