Letter from the CEO

I am delighted to present the John Sutton Community Clubs 2024 Annual Report, encapsulating a remarkable year in our journey.

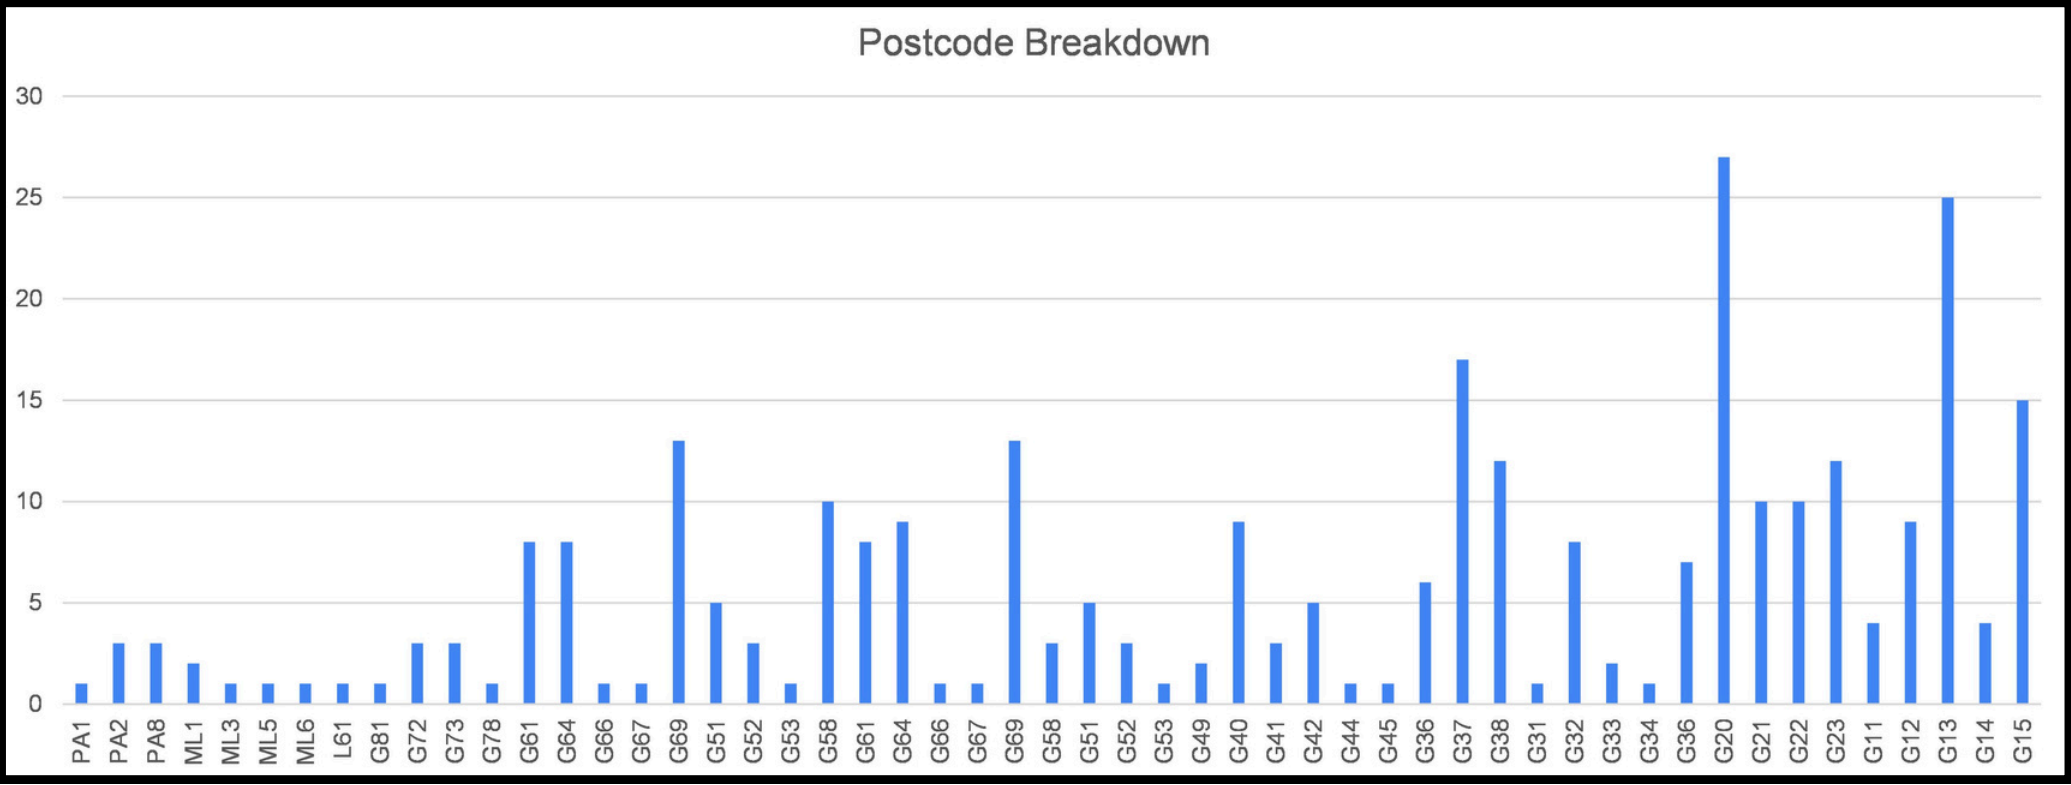

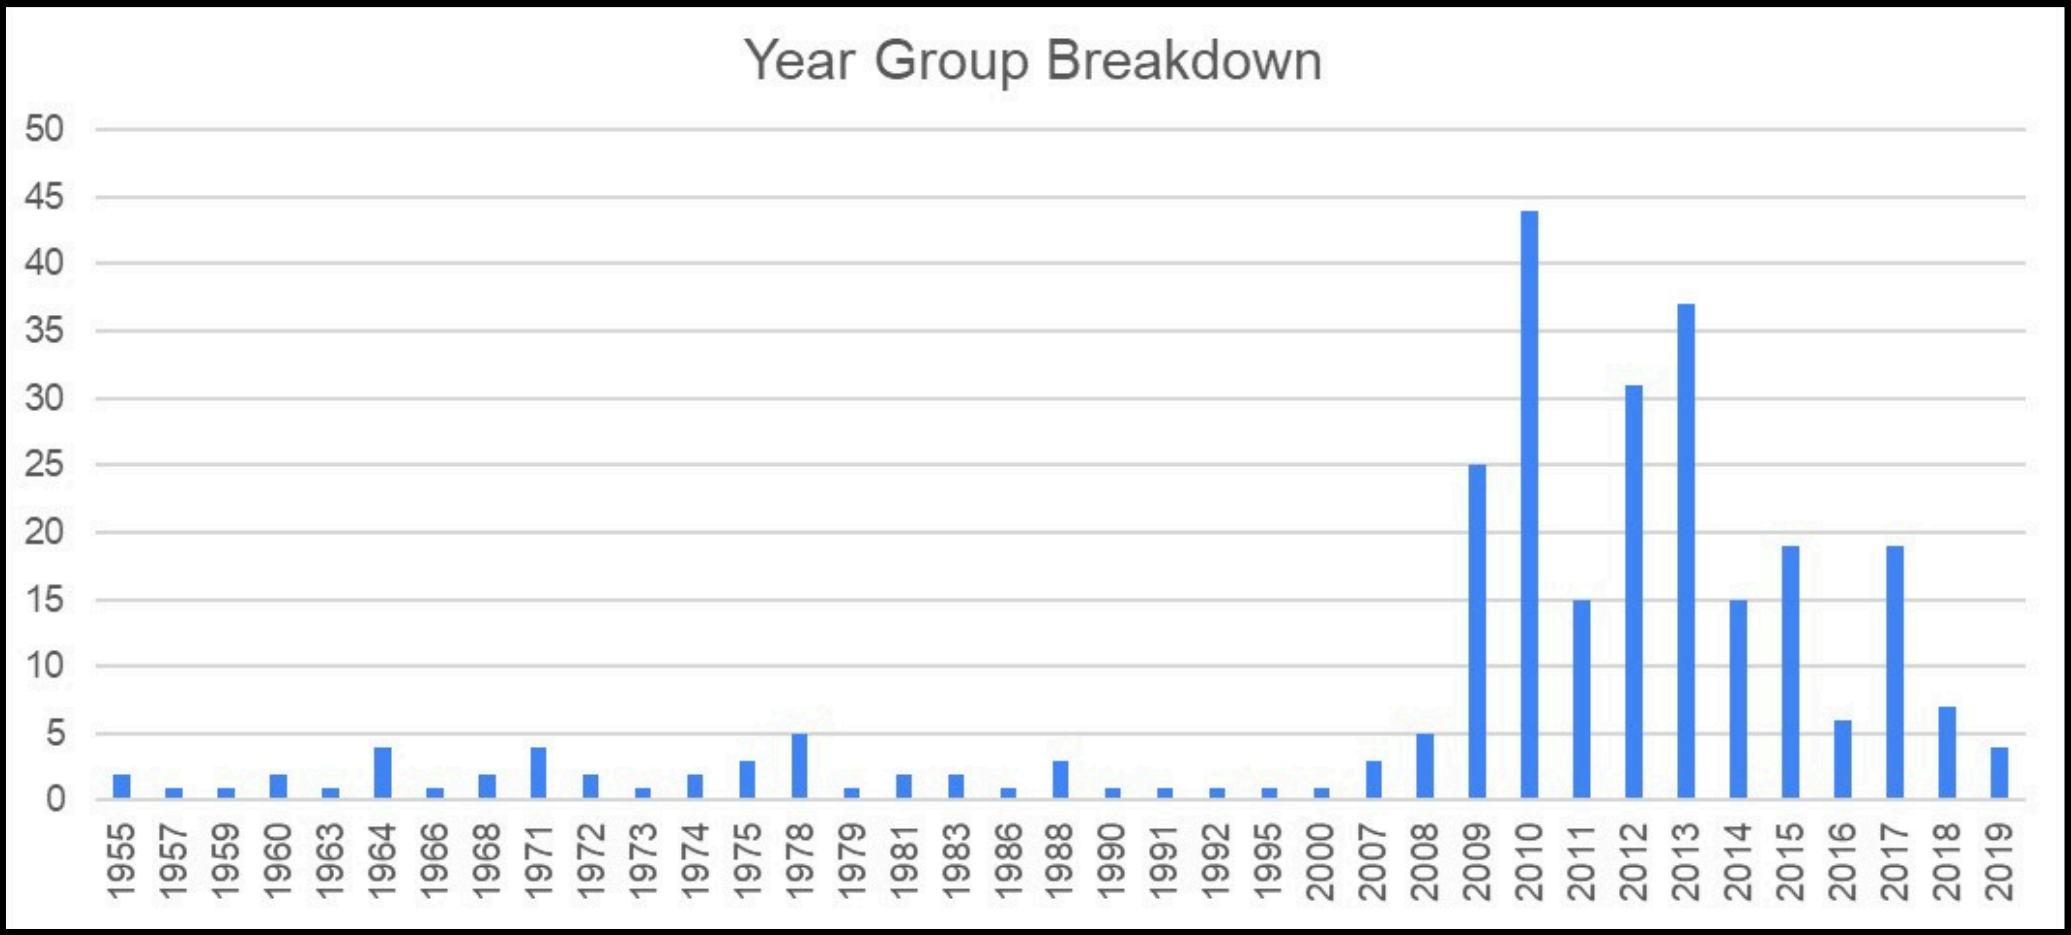

As we reflect on the past year, it's evident that we've continued to evolve into a dynamic community, This has been driven by our unwavering commitment to make our activities available to 'Everybody and Anybody': from people who are beginners, suffer from disabilities or are aiming to get to the very top of their game.

Statistical Breakdown 2024

For Everybody & Anybody

Age is No Barrier

- Our youngest participant was born in 2020 whilst our oldest was born in the 1950's
- We have teams from 2018's up to 2009's
- Supervet Teams consist of over 50's and 60's
- Walking Football teams consist of over 50's and over 60's

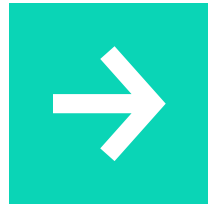

Part of the Community

- We work within some of the most deprived and underprivileged areas of Glasgow and make our activities accessible to everyone. This means giving away free places and working within the community to ensure everyone gets the opportunity to participate.
- We have around 300 regular participants for our activities and are expanding rapidly

Football Camps

Football Camps

- We held 4 football camps this year, usually lasting at least 5 days to provide a safe environment to develop skills and friendships.
- The introduction of a specialised girls section coached by Partick Thistle players has been a resounding success.
- The camps are an opportunity for aspiring players to enhance their skills from fully qualified coaches.
- The participants vary from pro youth players to absolute beginners. Both come along for the same thing: to improve their games in a positive and friendly environment.

Community Football Sessions

Focused on Community

Friendships Formed

Our Community Football sessions are open to everyone. This project is designed to encourage participation from all players of all abilities.

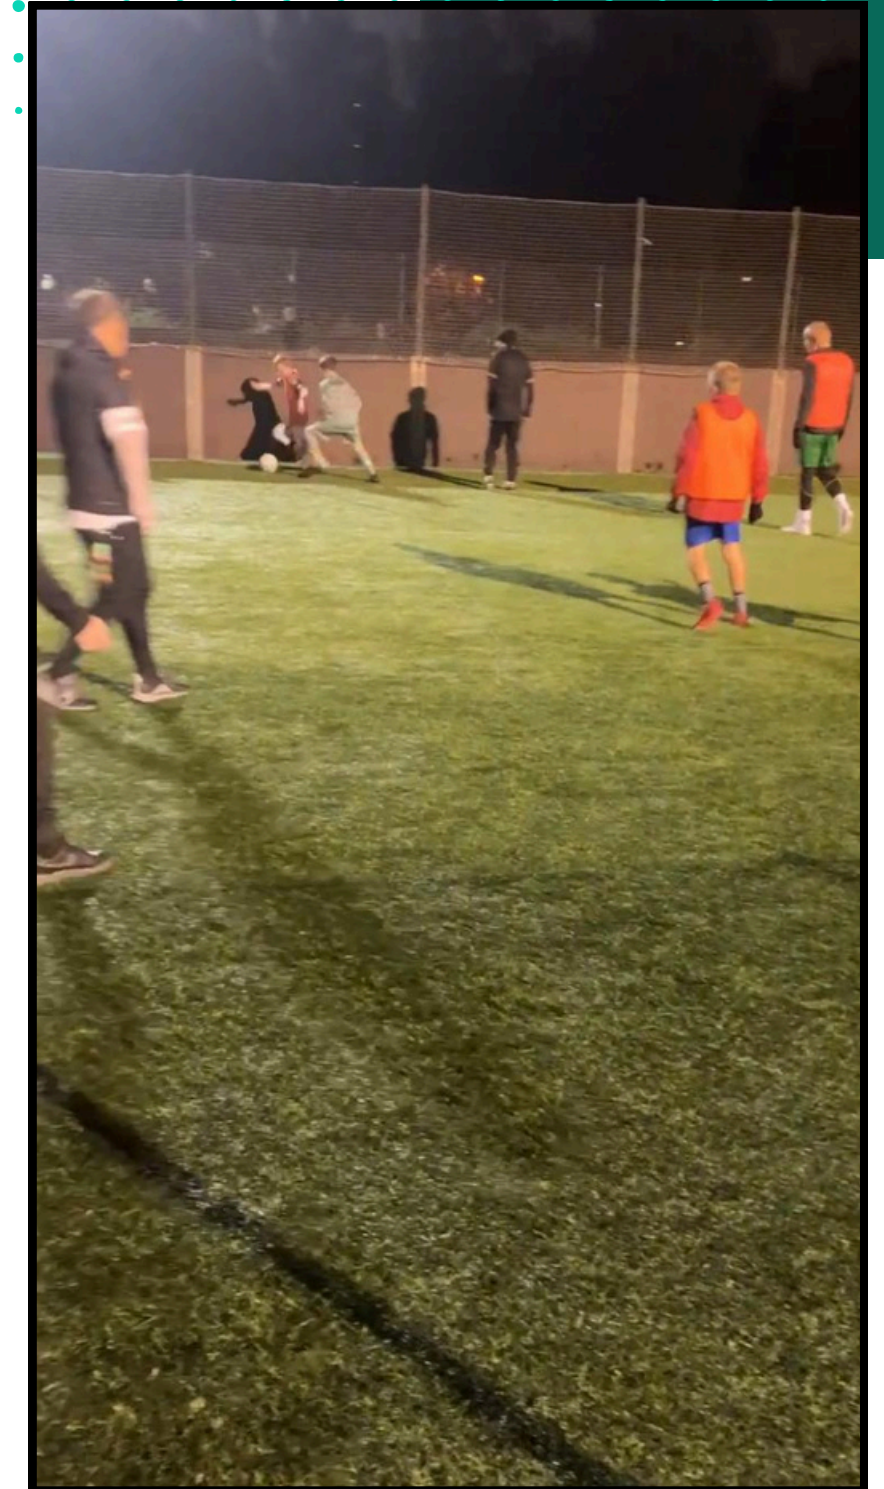

Our Goal

Next Steps

Hopefully expand into other communities and have larger sessions.

Direct Pathway

These sessions act as a direct pathway into competitive football for players without a team if they seek.

Girls' Involvement

2024

- This year we launched girls sessions as part of our quarterly camps
- We expanded upon this success to hosting weekly girls football training sessions held by Clare Docherty, Kim Murray, Courtney Stewart, Cara Henderson, and others.
- Looking ahead to 2025: Our newly formed under-12 team will be playing on a Sunday in addition to the under-10's beginning their new season.
