Kenya Children's Homes (UK)

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's trust deed, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

The objectives of the charity as defined in its trust deed are broadly drawn and permit many charitable activities but with an emphasis on the relief of human suffering and deprivation whether in the United Kingdom or abroad. In particular, the charity has developed, over a number of years, a close working relationship with Kenya Children's Homes, Nairobi, Kenya ("KCH").

The trustees' focus in the reporting period and for the foreseeable future is concentrated on:

- providing personnel and financial resource to KCH;
- continued mentoring of the local directors and senior management of KCH during the transition of management and financial control to KCH Kenya.

Achievements and performance

The charity continued its normal operations of providing assistance to KCH during the year, with UK management continuing to provide guidance and support to the KCH leadership team.

The economic conditions in Kenya continued to decline in 2025. Cost of living increases continued to make day-to-day living a challenge for families across Kenya.

The consequence of the 2022 Children's Bill is the mandated closure of all non-governmental orphanages, with the expectation that all orphaned and abandoned children are reintegrated with family, move into fostering or be adopted.

As a result, in 2024 KCH transitioned fully to an education-focused charity, supporting vulnerable, orphaned and abandoned children access education. Operationally, staff and management continued to ensure support was provided to those children within KCH Kenya's various support programmes (see Trustees' Report section for number of children supported).

KCH continued to provide support to orphaned and underprivileged children in Kenya throughout 2025 through the Butterfly & Outreach programmes. This support was provided remotely, ensuring the children's educational needs continued to be met and with the most needy children's families being provided with some financial assistance for shelter, feeding and clothing.

Jonathan Gloag Academy (JGA) were able to maintain a similar number of pupils in 2025 compared to 2024. Due to the economic situation in Kenya it proved more challenging to increase pupil numbers. Many people found it challenging to afford private education fees, and the general trend observed throughout the year was for young families to either move out of Nairobi or to place their children in government schools.

Kenya Children's Homes (UK)

Trustees' Report

Despite these challenges JGA performed well with pupils registering strong exam results. Staffing remained steady and the team remained focussed on providing a high-quality of education while also encouraging and developing strong moral values and principles within the pupils.

The total number of pupils enrolled at JGA in 2025 was - 1009

The number of children supported through the offsite KCH programmes were as follows:

- Outreach - 127
- Butterfly Support Programme (BSP) - 76
- Suswa - 110
- Mashimoni (education provision) - 100

Soila Girls Rescue Centre at Suswa continued to provide refuge and education to Maasai girls at risk of FGM and child marriage. With the co-operation of the local chiefs, the project demonstrates the power for education to provide a different path in life.

Following the KCH UK decision to step back from supporting KCH Kenya, much of 2025 was spent preparing the handover of UK-based management and financial controls to the Board and Senior Management of KCH Kenya.

Many meetings took place with the KCH Kenya Board & staff to ensure they had a robust understanding of UK-based management and financial matters ahead of the transition. The transition was a complex process and everyone worked hard to prepare themselves for the change.

A final visit to KCH Kenya took place in November 2025 and included a number of activities to say goodbye and wish KCH Kenya every success in the future.

As at 31 December 2025, KCH UK relinquished all management responsibilities and financial controls and the transition was complete in Kenya.

2026 will focus on the closure of KCH UK as the charity is no longer required.

The Trustees thank Gloag Foundation for providing logistical and financial support to the charity and for covering the costs of administrative functions in the UK.

Financial review

Results for the year ended 31 December 2025 are given in the Statement of Financial Activities on page 8. The assets and liabilities are given in the Balance Sheet on page 9. The financial statements should be read in conjunction with the related notes which appear on pages 10 to 18.

In summary total income amounted to £265,722 (2024 - £227,201), total expenditure totalled £292,438 (2024 - £298,340) resulting in net expenditure for the year of £26,716 (2024 - £71,139).

Reserves policy

Reserves are needed to bridge any gap between spending commitments and receiving of income. At the balance sheet date the charity held total reserves of £27,191 (2024 - £53,907) of which £27,072 (2024 - £33,723) are unrestricted and £119 (2024 - £20,184) are restricted.

During the year, the charity was dependent on donations from Gloag Foundation. The trustees believe that the current reserve level is sufficient to run the charity at the reduced activity level until KCH UK is formally closed.

Kenya Children's Homes (UK)

Trustees' Report

Risk Management

The trustees considered that during the year the major risks comprised of:

Financial Risk

- The charity was dependent on donations from Gloag Foundation in order to make up the shortfall between public donations and its net operating costs. A key element of the management of this risk is the charity's close relationship with Gloag Foundation and the trustees engage in regular discussions with that charity.
- The charity's level of funding of KCH was dependent upon KCH's active fundraising programme in Kenya. The fundraising programme covers both local donations and profit flows from in-house programmes such as Jonathan Gloag Academy and other commercial activities. These programmes make a significant contribution to covering the operating costs of the main children's home and the Outreach, Butterfly Support Program (BSP) and Suswa projects. Trustees manage this risk through regular monitoring of the fundraising activities of KCH at local board and executive level.

Operational Risk

The charity has very limited exposure to direct operating risks and such risk arises primarily in relation to it supporting KCH's capacity to deliver the goals and objectives to which they commit when awards are made. Under normal circumstances the senior management of Kenya Children's Homes (UK) spend in the order of 12-15 man weeks per annum at KCH supporting local management.

Structure, governance and management

The charity is constituted under a trust deed dated 24 March 1992.

The trustees who served during the period from 1 January 2025 to the date the financial statements were approved were as follows:

Dame A H Gloag
Mr D J McCleary
Mrs B Gibb (resigned 8 May 2025)
Ms Y McColl
Mr A I Gloag (appointed 28 February 2025)

All of the trustees served throughout the period, with four of them continuing to serve as at the date of this report. All policy and administrative matters are dealt with by the trustees. There are no plans to make any changes to the board of trustees or to admit any new trustees.

The majority of the trustees are close relatives of the founder and trustees meet formally at least twice per annum.

Senior Management

Lois Boyle - Chief Executive
Paul McNeil - Director of Operations and Human Resources
Elizabeth Forsyth - Finance Manager

The Trustees acting as a management committee have all the powers necessary to conduct the business of the charity. The committee is responsible for appointing new trustees and for ensuring that they are fully aware of their responsibilities as trustees.

Kenya Children's Homes (UK)

Trustees' Report

Pay Policy for Senior Staff

None of the senior staff above are employed by or receive any remuneration from the charity. The services of the senior management team are delivered free of charge under an arrangement with Gloag Foundation, who are their employers.

Related parties and co-operation with other charities

None of the trustees receive remuneration or other benefits from their work with the charity. Dame A H Gloag is a trustee of Gloag Foundation, with whom the charity works in close collaboration. Senior management, except Elizabeth Forsyth, are each directors of KCH, the sole recipient of the funds raised by the charity, but charity appointed directors do not control the board of KCH, which has a majority of Kenyan nationals.

The annual report was approved by the trustees of the charity on 23 September 2026 and signed on its behalf by:

.....
Dame A H Gloag
Trustee

Kenya Children's Homes (UK)

Statement of Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 (as amended), and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Kenya Children's Homes (UK)

Independent Examiner's Report to the trustees of Kenya Children's Homes (UK)

I report on the accounts of the charity for the year ended 31 December 2025 which are set out on pages 8 to 18.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Kenya Children's Homes (UK)

Notes to the Financial Statements for the Year Ended 31 December 2025

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis of preparation

Kenya Children's Homes (UK) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements are presented in sterling (£), which is the functional currency of the charity and are rounded to the nearest £1.

Going concern

As detailed in the Trustees' Report, 2026 will focus on the closure of KCH UK as the charity is no longer required.

These financial statements have been prepared on a going concern basis, however it is the intention of the Trustees to close the charity at the appropriate time in the near future.

Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimated and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The trustees consider there to be no critical accounting estimates and judgements.

Kenya Children's Homes (UK)

Notes to the Financial Statements for the Year Ended 31 December 2025

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Kenya Children's Homes (UK)

Notes to the Financial Statements for the Year Ended 31 December 2025

Other expenditure

Gloag Foundation has expressed its willingness to provide financial support to the charity sufficient to cover the charity annual running cost of the principal office, thus maximising the funds available for partner charities.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

The charity only has financial assets and liabilities of a kind that would qualify as basic financial instruments which are recognised at their transaction value and subsequently measured at their settlement value.

17 Analysis of net funds

The charity had no debt during the year.

18 Related party transactions

During the year the charity made the following related party transactions:

Gloag Foundation

(The trustees Dame Ann H Gloag and Mr David J McCleary are also trustees of Gloag Foundation)
During the year donations of £227,741 (2024 - £169,754) were received from Gloag Foundation. An intercompany account was also operated between Gloag Foundation and Kenya Children's Homes (UK). At the balance sheet date the amount due from Gloag Foundation was £366 (2024 - due to Gloag Foundation £292).

Freedom from Fistula Foundation

(Dame Ann H Gloag is also a trustee of Freedom from Fistula Foundation)
During the year, an intercompany account was operated between Freedom from Fistula Foundation and Kenya Children's Homes (UK). At the balance sheet date the amount due to Freedom from Fistula Foundation was £Nil (2024 - £120).
