Review of the Year

Throughout the year the club has organised a wide range of events and activities for the members which meet with the objectives of the club. Many of our club members have taken part in events at district, regional and national levels.

The year began with a New Members Night to start off the summer syllabus which was held at the Driving Range at Cluny Clays. This was a relaxed meeting to include the new members and was kept locally to keep the costs down. The summer syllabus progressed with various stockjudgings joint with West Fife which were well attended by both clubs and some good scores from our own club members. We had our Mock Auction and Valuation as well as our annual car treasure hunt which was supported by other clubs within the district. We had our annual field day this year hosted by West Fife YFC. There was an excellent turn out of entries from all clubs within the district and we placed 1st Overall. Heading towards the end of the summer syllabus we had our final meetings including an interclub night with Bell Baxter ADS in the form of Beach Sports at St Andrews. We finished our summer at Kinross Show and dance. This saw an excellent turnout to end the summer on a high

After a few weeks off, the winter syllabus began in October, again with a New Members night. The syllabus included various sports to get our teams ready for the District Sports competition and even saw the hockey, football and quiz teams progressing as far as National Level. We had our first Charity Race Night raising funds for SAYFC's Big Build Campaign, and SAYFC's Agri Affairs trip to Texas, which was a huge success raising over £1,140. We then had our annual Root and Grain show which gives our members a chance to show their produce and all entries were of a high standard. This year we had a joint root and grain show with West Fife YFC. We hosted our first Charity Christmas Tractor Run in December which was a huge success with over 50 vehicles, raising £1,825 for Farmstrong Scotland. Other events of the winter syllabus included going to see Perthshire Districts Christmas Pantomime, Ice Skating, Tubing, and an Educational Talk from Beth, Cameron & James on their trip to Texas. In January we had our 81st Annual Dinner Dance at Rossie on the Earn, a new venue for the club, we had a very

successful night and hope to return there next year. We took part in many competitions throughout both the summer and winter syllabus' and were successful in most. This year we have supported our other local clubs within our district at many of their open meetings and events as well.

Further Developments

In the forthcoming year the Management Committee are planning to promote the club more in the local community and continue to encourage new members along. The club will also continue to organise meetings to meet the objectives of the club.

The provisional summer syllabus has been agreed and will begin with a New Members Night on Tuesday 21st April 2026.
