Structure, governance and management

Type of governing document

KST is governed by its constitution.

Trustee recruitment and appointment

The current trustees are the founders of the charity. The appointment of further trustees will be discussed at the AGM.

Achievements and performance

The charity is new and is in the process of formal set up. The aim this year was to set up the charity structure and do some localised fundraising. The charity made an application to be included in the Bauer Radio Cash for Kids Sports Challenge.

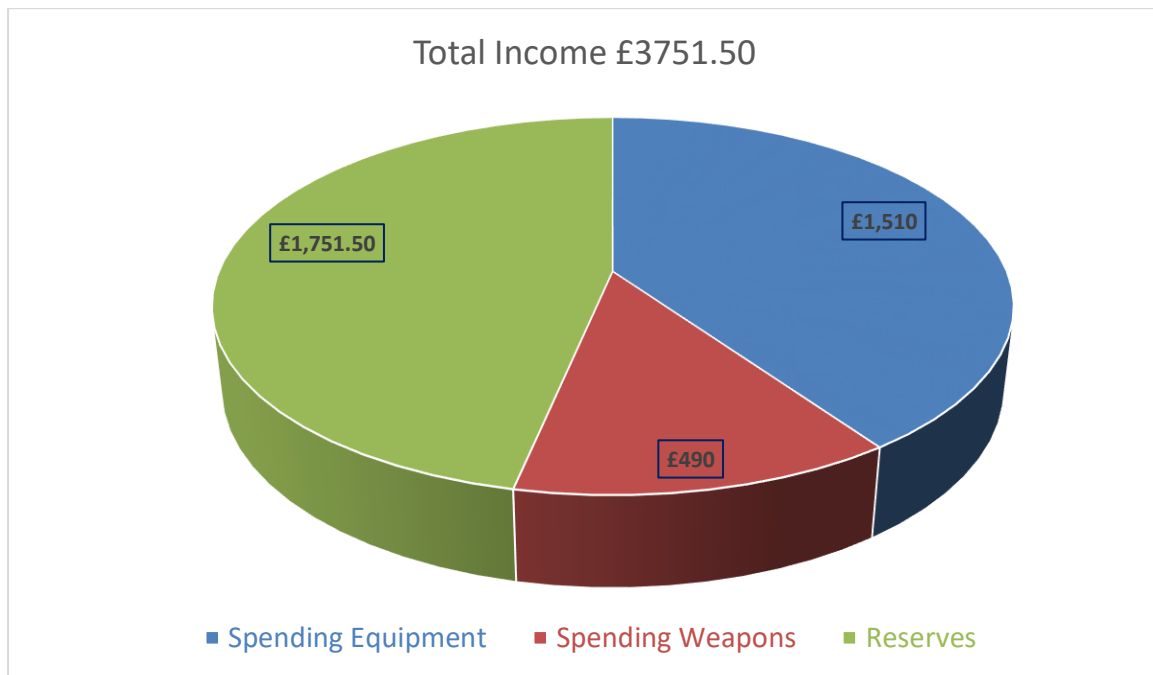

The charity was shortlisted and participated in the challenge. Those charities which were able to raise £1500 were guaranteed an additional £500 from the Cash for Kids campaign: with a lot of support from the Taekwondo club and parents we were able to do this. The students took part in a sponsored 12 hour taekwondo- a-thon, while the parents were enjoying a coffee morning. The funds received from the Cash for Kids campaign had to be used per the stipulations from Bauer Radio.

There was also a bouncy castle day and pocket money stall.

With the funds raised we were able to purchase equipment and weapons to benefit those using the club.

Financial review

Statement of the charity's policy on reserves

Part of the current reserve is based on the Bauer Radio Cash for Kids stipulations; there is a reserve for funding for the next financial year.

Reserves in addition to the Cash for Kids funding will be carried forward into the next financial year and will be used to further Songahm taekwondo in Scotland.

Details of any deficit

There is no financial deficit

Donated facilities and services

ATA Kilmarnock donated the use of their premises for all fund-raising activities.

Future plans

This year we plan to expand our membership by getting more students and parents involved with the charity. We are planning to set up our social media pages and promote the charity via those.

We are exploring new funding avenues and hope to expand on that throughout the coming year
