REVIEW OF THE YEAR

The club has had another successful year, organising an extensive range of activities and meetings which have met the objectives of the club. Throughout this year we have held the standard items of the year within the summer and winter syllabus including sports events, annual concert and dinner dance, alongside many others to involve current and new members to the club. We encourage all members to take part in club, district, west and national events to further their experience within SAYFC.

FUTURE DEVELOPMENTS

The club will continue to organise meetings and events which meet the objectives of the club, encourage new members along, as well as keeping our older members coming along and supporting the club. We will build on the success of the year through into next, trying to introduce new meetings into the syllabus to keep it fresh and enjoyable.
