Management and Structure

The Trustees are appointed at the Annual General Meeting in accordance with the terms of the Trust Deed registered in 1992. This meeting is open to the general public and the accounts are presented annually at this meeting.

Objectives and Activities

The object of the Trust is to administer the income from the Trust Fund, and give financial support to any activities which, in the opinion of the Trustees, will further the common good of Cockburnspath and District.

Achievements and Performance

The Trustees pay grants to village organisations for special projects, rather than for the normal operating expenses of these organisations. They endeavour to reinvest a part of the income annually, to increase the capital value.
